

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Raju Patel
DOCKET NO.: 19-00351.001-R-1
PARCEL NO.: 07-01-30-104-008-0000

The parties of record before the Property Tax Appeal Board are Raju Patel, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,197
IMPR.: \$209,175
TOTAL: \$235,372

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 4,219 square feet of living area. The dwelling was constructed in 2012. Features of the home include an unfinished 2,043 square foot basement, central air conditioning, a fireplace and a 3-car garage with 930 square feet of building area. The property has a 10,250 square foot site and is located in Plainfield, Wheatland Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located within the same neighborhood code as the subject. The comparables are two-story dwellings of frame construction that range in size from 3,565 to 4,298 square feet of living area and have other features with varying degrees of similarity to the subject. The comparables sold from February

2017 to March 2018 for prices ranging from \$488,000 to \$650,000 or from \$136.39 to \$161.01 per square foot of living area, including land.

Based on this evidence the appellant requested that the subject's total assessment be reduced to \$210,307.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$235,372. The subject's assessment reflects a market value of \$705,340 or \$167.18 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Will County of 33.37% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales, one of which was also submitted by the appellant, that are located within the same neighborhood code as the subject. The comparables are two-story dwellings of frame construction that range in size from 3,932 to 4,493 square feet of living area and have other features with varying degrees of similarity to the subject. The comparables sold from February 2017 to December 2018 for prices ranging from \$544,275 to \$890,000 or from \$138.42 to \$207.99 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable sales #2 and #3, due to their significantly smaller size when compared to the subject. The Board finds the board of review's comparables, which includes the parties' common comparable, were most similar to the subject in location, style, age, size and features. However, two of the best sales occurred greater than 22 months prior to the January 1, 2019 assessment date at issue. Nevertheless, the best comparables sold from February 2017 to December 2018 for prices ranging from \$544,275 to \$890,000 or from \$138.42 to \$207.99 per square foot of living area, including land. The subject's assessment reflects a market value of \$705,340 or \$167.18 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's assessment is supported.

Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
