

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nigam Alka  
DOCKET NO.: 19-00486.001-R-1  
PARCEL NO.: 07-01-17-208-020-0000

The parties of record before the Property Tax Appeal Board are Nigam Alka, the appellant; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$42,950  
**IMPR.:** \$292,481  
**TOTAL:** \$335,431

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and brick construction with 6,528 square feet of living area. The dwelling was constructed in 2013. Features of the home include a full unfinished basement, central air conditioning, a fireplace and an 815 square foot, 3-car, attached garage. The property is located in Naperville, Wheatland Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on eight comparable sales that are located within the Ashwood Park subdivision, like the subject. The comparables are two-story dwellings that range in size from 4,200 to 5,851 square feet of living area and have other features with varying degrees of similarity to the subject. The comparables sold from February 2017 to June 2019 for prices ranging from \$805,000 to \$890,000 or from \$152.11 to \$198.99 per square foot of living area, including land.

Based on this evidence the appellant requested that the subject's total assessment be reduced to \$286,380.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$335,431. The subject's assessment reflects a market value of \$1,005,187 or \$153.98 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Will County of 33.37% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located within the Ashwood Park subdivision, like the subject. The comparables are two-story and three-story dwellings that range in size from 6,059 to 6,825 square feet of living area and have other features with varying degrees of similarity to the subject. The comparables sold from April 2016 to April 2018 for prices ranging from \$890,000 to \$1,175,000 or from \$146.89 to \$175.68 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 11 comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable sales #2 through #7, as well as the board of review's comparable sales #1 and #3, due to their sale dates occurring greater than 16 months prior to the January 1, 2019 assessment date at issue. The Board finds the parties' remaining comparables were similar to the subject in location, style, age and features. However, the appellant's best comparables are significantly smaller when compared to the subject. Nevertheless, the best comparables sold from April 2018 to June 2019 for prices ranging from \$805,000 to \$1,175,000 or from \$152.11 to \$191.67 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,005,187 or \$153.98 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's assessment is supported.

Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
