

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott & Ginnette Carter
DOCKET NO.: 19-00488.001-R-1
PARCEL NO.: 15-08-33-106-020-0000

The parties of record before the Property Tax Appeal Board are Scott & Ginnette Carter, the appellants; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$24,619
IMPR.: \$62,103
TOTAL: \$86,722

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame and brick construction with 1,893 square feet of living area. The dwelling was constructed in 2002. Features of the home include a 644 square foot basement, central air conditioning, a fireplace and a 460 square foot attached garage.¹ The property is located in New Lenox, New Lenox Township, Will County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on seven comparable sales that are not located within the Laraway Ridge neighborhood, unlike the subject. The comparables are one-story dwellings that range in size from 1,098 to 1,800 square feet of living area and have other features with varying degrees of similarity to the subject.² The comparables sold from April 2017 to August 2019 for

prices ranging from \$208,000 to \$240,000 or from \$128.89 to \$209.47 per square foot of living area, including land.

Based on this evidence the appellants requested that the subject's total assessment be reduced to \$74,552.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$86,722. The subject's assessment reflects a market value of \$259,880 or \$137.28 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Will County of 33.37% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located within the Laraway Ridge neighborhood, like the subject. The comparables are one-story dwellings of frame and masonry construction that range in size from 1,941 to 2,186 square feet of living area and have other features with varying degrees of similarity to the subject. The comparables sold from July 2017 to October 2018 for prices ranging from \$290,000 to \$350,000 or from \$143.10 to \$160.11 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 11 comparable sales for the Board's consideration. The Board gives less weight to the appellants' comparable sales due to their locations outside the subject's Laraway Ridge neighborhood. In addition, several of the appellants' comparable are significantly smaller than the subject. The Board finds the board of review's comparables were more similar to the subject in location, style, size and features. The board of review's comparables sold for prices ranging from \$290,000 to \$350,000 or from \$143.10 to \$160.11 per square foot of living area, including land. The subject's assessment reflects a market value of \$259,880 or \$137.28 per square foot of living area, including land, which falls below the range of the best comparables in the record on both a total market value basis and on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's assessment is well supported.

Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
