

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Evan Meyers
DOCKET NO.: 19-00858.001-R-1
PARCEL NO.: 16-33-201-105

The parties of record before the Property Tax Appeal Board are Evan Meyers, the appellant, by attorney Steven Kandelman, of Rieff Schramm Kanter & Guttman in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$66,522
IMPR.: \$172,765
TOTAL: \$239,287

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,878 square feet of living area. The dwelling was constructed in 1965. Features include a full basement with a finished recreation room, central air conditioning, one fireplace and a 529 square foot garage. The subject property has a 14,040 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that have the same neighborhood code and description as the subject. The comparables consist of two-story dwellings of brick or brick and wood siding exterior construction that were built in 1965 and 1966. The dwellings range in size from 3,124 to 3,924 square feet of living area and are situated on sites that range in size from 14,350 to 17,200 square feet of land area. The comparables each have an unfinished

basement, central air conditioning, one or two fireplaces, and a garage with either 462 or 576 square feet of building area. The comparables sold from March 2018 to October 2019 for prices ranging from \$460,000 to \$560,000 or from \$139.65 to \$179.26 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$239,287. The subject's assessment reflects an estimated market value of \$727,537 or \$187.61 per square foot of living area, including land, when applying the 2019 three-year average median level of assessment for Lake County of 32.89%. In support of the subject's assessment, the board of review submitted information on four comparable sales that have the same neighborhood code and description as the subject. The comparables consist of two-story dwellings of brick and wood siding exterior construction that were built in 1964 and 1965. The dwellings range in size from 2,782 to 4,276 square feet of living area and are situated on sites that range in size from 13,500 to 32,831 square feet of land area. The comparables have basements with finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 462 to 572 square feet of building area. The comparables sold from April 2018 to May 2020 for prices ranging from \$587,500 to \$820,000 or from \$164.15 to \$247.12 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The record contains seven comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparables #1 and #3 along with board of review comparable #4 which have significantly smaller dwelling sizes when compared to the subject. The Board also gave less weight to board of review comparables #2 and #3. Comparable #2 has a considerably larger lot size when compared to the subject. Comparable #3 sold in May 2020 which is less proximate in time to the subject's January 1, 2019 valuation date and less likely to be reflective of market value.

The Board finds the best evidence of the subject's market value to be appellant's comparable #2 and board of review comparable #1 which have varying degrees of similarity to the subject location, age, dwelling size, and features. These comparables sold in September 2019 and December 2018 for prices of \$820,000 and \$548,000 or for \$191.77 and \$139.65 per square foot of living area, including land, respectively. The subject's assessment reflects an estimated market value of \$727,537 or \$187.61 per square foot of living area, including land, which is bracketed by the two best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's

estimated market value as reflected by its assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
