

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Conor O'Grady  
DOCKET NO.: 19-02927.001-R-1  
PARCEL NO.: 11-18-204-029

The parties of record before the Property Tax Appeal Board are Conor O'Grady, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$55,285  
**IMPR.:** \$123,934  
**TOTAL:** \$179,219

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick and frame exterior construction with 3,179 square feet of living area. The dwelling was constructed in 1986. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 484 square foot garage. The property has a 14,692 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.15 of a mile from the subject property. The comparables have sites that range in size from 10,108 to 17,364 square feet of land area and are improved with two-story dwellings of brick and frame exterior construction that have either 3,179 or 3,660 square feet of living area. The dwellings were built in 1987. Each comparable has an unfinished basement, central air conditioning, one fireplace

and a garage with 484 or 552 square feet of building area. The properties sold from April 2018 to March 2019 for prices ranging from \$430,000 to \$515,000 or from \$117.49 to \$162.00 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$159,984 which reflects a market value of \$480,000 or \$151.00 per square foot of living area, land included, when applying the statutory assessment level of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$179,219. The subject's assessment reflects a market value of \$544,904 or \$171.41 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.11 of a mile from the subject property. The comparables have sites that range in size from 11,187 to 13,721 square feet of land area and are improved with two-story dwellings of brick and frame exterior construction that range in size from 2,873 to 3,179 square feet of living area. The homes were built in 1986 or 1987. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage with 484 square feet of building area. The properties sold from May 2017 to May 2019 for prices ranging from \$525,000 to \$612,000 or from \$179.30 to \$193.67 per square foot of living area, land included.

The board of review, through the Libertyville Township Assessor, submitted comments indicating the subject's 2019 assessment reflects a market value below the 2016 purchase price of the subject. It argued that the appellant's comparables reflect the lowest sales from the subject's neighborhood and that two of the properties were "almost 500 SF" larger than the subject property. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparables #1 and #3 which differ from the subject in dwelling size and to board of review comparable #3 which sold less proximate to the January 1, 2019 assessment date than other properties in the record.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, dwelling size and features, but where each has a smaller site size compared to the subject's site size. These comparables sold from June 2018 to

May 2019 for prices ranging from \$515,000 to \$612,000 or from \$162.00 to \$193.67 per square foot of living area, including land. The subject's assessment reflects a market value of \$544,904 or \$171.41 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
