

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ross Harris  
DOCKET NO.: 19-02950.001-R-1 through 19-02950.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Ross Harris, the appellant(s), by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
19-02950.001-R-1	01-01-409-018	2,856	15,290	\$18,146
19-02950.002-R-1	01-01-409-017	2,586	0	\$2,586

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property contains two parcels improved with a one-story dwelling of wood siding exterior construction containing 986 square feet of living area. The dwelling was built in 1957 and has a concrete slab foundation. The property is located in Antioch, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales improved with one-story dwellings with wood siding exteriors ranging in size from 950 to 1,260 square feet of living area. The dwellings were built in 1955 or 1957. Comparable #3 has an effective age of 1965. Each comparable has a basement, a crawl space, or a concrete slab foundation. Two comparables each have a fireplace and one comparable has a 308 square foot garage. These properties are located from .14 to 1.74 miles from the subject property, two of which are located outside of the

subject's neighborhood. The sales occurred from July 2017 to October 2018 for prices ranging from \$29,000 to \$60,000 or from \$30.53 to \$53.57 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced.

The board of review submitted two "Board of Review Notes on Appeal" which disclosed a combined total assessment of \$20,732. The subject's assessment reflects a market value of \$63,034 or \$63.93 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .087 of a mile from the subject and the same neighborhood as the subject. The comparables are improved with one-story dwellings with wood siding exteriors ranging in size from 565 to 780 square feet of living area. The homes were built in 1950 or 1957. Comparable #1 has an effective age of 1965. The comparables have crawl space foundations. One comparable has a 308 square foot garage. The sales occurred from July 2017 to August 2018 for prices ranging from \$60,000 to \$84,000 or from \$79.79 to \$128.85 per square foot of living area, including land. The board of review requested the assessment be sustained.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six sales submitted by the parties to support their respective positions. The Board gave less weight to appellant's comparables as #1 has a basement foundation in contrast to the subject's concrete slab foundation, #2 is located over 1 mile from the subject and #3 has a considerably larger dwelling size. The Board also gave less weight to board of review comparable #3 due to its significantly smaller dwelling size when compared to the subject.

The Board finds the best evidence of the subject's market value to be board of review comparables #1 and #2 which are located in the same neighborhood as the subject. These comparables have smaller dwelling sizes than the subject and one comparable has a garage unlike the subject. These comparables sold for prices of \$60,000 and \$84,000 or \$79.79 and \$107.69 per square foot of living area, including land. The subject's assessment reflects a market value of \$63,034 or \$63.93 per square foot of living area, including land, which is below the price per square foot range established by the best comparable sales in this record and bracketed on overall price. After considering adjustments to the best sales when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
