

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charles and Angela Boe  
DOCKET NO.: 19-03116.001-C-1  
PARCEL NO.: 08-32-451-005

The parties of record before the Property Tax Appeal Board are Charles and Angela Boe, the appellants; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$16,000  
**IMPR.:** \$38,995  
**TOTAL:** \$54,995

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a split-level office building of frame and stucco construction that is approximately 70 years old. The structure contains 2,496 square feet of building area and is situated on a 16,012 square foot site. The subject property is located in Greenwood Township, McHenry County.

The appellants contend the subject property was overvalued and inequitably assessed. In support of these arguments, the appellants submitted three comparable properties that have varying degrees of similarity when compared to the subject. With respect to the inequity claim, the comparables have land assessments ranging from \$4,653 to \$7,397 or \$.79 or \$1.23 per square foot of land area and have improvement assessments ranging from \$25,755 to \$51,106 or from \$18.38 to \$23.23 per square foot of building area. With respect to the overvaluation claim, the comparables sold from May 2018 to August 2019 for prices ranging from \$99,000 to \$170,000 or from \$60.00 to \$90.41 per square foot of building area including land.

The appellants also submitted the final decision issued by the McHenry County Board of Review for the 2019 tax year. The subject property has a final assessment of \$74,994, which reflects an estimated market value of \$225,005 or \$86.14 per square foot of building area including land. The subject property has a land assessment of \$33,763 or \$2.11 per square foot of land area and an improvement assessment of \$41,231 or \$15.78 per square foot of building area. Based on this evidence, the appellants requested a reduction in the subject's assessment.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

### **Conclusion of Law**

The appellants argued that the subject's assessment was inequitable. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The appellants also contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met these burdens of proof and a reduction in the subject's assessment is warranted.

The appellants submitted three comparables to demonstrate the subject property was not uniformly assessed and overvalued. The board of review did not submit any evidence in support of the correct assessment of the subject property or to refute the value evidence submitted by the appellants. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a). The Board has examined the evidence submitted by the appellant and finds that it supports a reduction in the assessed valuation of the subject property.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
