

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jianmin Sun  
DOCKET NO.: 19-03205.001-R-2  
PARCEL NO.: 08-19-204-008

The parties of record before the Property Tax Appeal Board are Jianmin Sun, the appellant, by Dennis D. Koonce, Attorney at Law in Frankfort; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$147,710  
**IMPR.:** \$165,700  
**TOTAL:** \$313,410

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 5,810 square feet of living area. The dwelling was constructed in 2007. Features of the home include an unfinished basement, central air conditioning, four fireplaces and a three-car garage with 1,280 square feet of building area. The property has an 18,427 square foot site and is located in Naperville, Lisle Township, DuPage County.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant completed Section IV – Recent Sale Data of the appeal petition and submitted evidence disclosing the subject property was purchased on September 24, 2019 for a price of \$950,000. The appellant identified the seller as Jeffrey Jones and indicated the parties were not related. The appellant further disclosed the property was sold by a realtor and the property had been advertised in the Multiple Listing Service (MLS) for a period of 9 days. To document the transaction the appellant submitted a copy of the MLS listing sheet and a copy of the settlement

statement reiterating the sale date and price which also depicted commissions being issued to two realty agencies as part of the transaction. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$435,830. The subject's assessment reflects a market value of \$1,321,097 or \$227.38 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for DuPage County of 32.99% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review, through the township assessor, submitted information on three comparable sales located from .14 to .66 of a mile from the subject property. The comparables have sites that range in size from 12,557 to 20,965 square feet of land area. The comparables are improved with a 2-story, a 2½-story and a part 2-story and part 1-story dwelling of frame, Dryvit or stone exterior construction that range in size from 5,402 to 6,233 square feet of living area. The dwellings were built from 2007 to 2012. The dwellings each have a basement with finished area, central air conditioning, three or four fireplaces and a garage that ranges in size from 689 to 1,101 square feet of building area. The comparables sold from March 2018 to October 2019 for prices ranging from \$1,359,000 to \$1,812,500 or from \$250.18 to \$328.58 per square foot of living area, including land. A map depicting the locations of the comparables in relation to the subject was submitted. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in September 2019 for a price of \$950,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a realtor, the property had been advertised on the open market in the Multiple Listing Service and it had been on the market for nine days. In further support of the transaction the appellant submitted a copy of the settlement statement and the MLS listing sheet. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Furthermore, the Board has given less weight to the board of review comparable sales as they do not overcome the apparent arm's length nature of the subject's recent sale transaction. Based on this record the Board finds the subject property had a market value of \$950,000 as of January 1, 2019. Since market value has been determined the 2019 three-year average median level of assessment for DuPage County of 32.99% shall apply. 86 Ill.Admin.Code §1910.50(c)(1).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
