

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Frank Sgaraglino  
DOCKET NO.: 19-03690.001-R-1  
PARCEL NO.: 16-10-303-004

The parties of record before the Property Tax Appeal Board are Frank Sgaraglino, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$50,919  
**IMPR.:** \$62,683  
**TOTAL:** \$113,602

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 1,290 square feet of living area. The dwelling was constructed in 1953. Features of the home include a full unfinished basement, central air conditioning, a fireplace, and an attached garage with 400 square feet of building area. The property has a 12,527 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables located within the same assessment neighborhood and within .80 of a mile as the subject property. The comparables are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,492 to 1,574 square feet of living area. The dwellings were built from 1951 to 1956. Each comparable has a full unfinished basement, central air conditioning, and either an attached or detached garage ranging in size from 345 to 400 square feet of building area. One comparable has a fireplace. The comparables have improvement assessments that range from \$59,698 to \$63,487 or from \$39.27 to \$40.40 per square foot of living area. Based

on this evidence, the appellant requested the subject's improvement assessment be reduced to \$51,600 or \$40.00 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$113,602. The subject property has an improvement assessment of \$62,683 or \$48.59 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted the subject's property record card and a grid analysis of five suggested equity comparables located within the same assessment neighborhood and within .14 of a mile to the subject property. The comparables are improved with one-story dwellings of brick or wood siding exterior construction of 1,334 or 1,378 square feet of living area. The dwellings were built in 1954 with two comparables having an effective age of 1955 or 1974. Each comparable has a full basement with finished area, central air conditioning and one fireplace. Three comparables have an attached garage ranging in size from 323 to 374 square feet of building area. The comparables have improvement assessments ranging from \$63,590 to \$72,757 or from \$47.17 to \$54.54 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

#### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparables based on their larger dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity are the board of review comparables as these comparables are similar when compared to the subject in age, dwelling size and features. These comparables have improvement assessments ranging from \$63,590 to \$72,757 or from \$47.17 to \$54.54 per square foot of living area. The subject's improvement assessment of \$62,683 or \$48.59 per square foot of living area falls within the range on a square foot basis and below the range on a total improvement basis which is supported when considering adjustments to the best comparables for differences when compared to the subject. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
