

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ali Haghigat
DOCKET NO.: 19-03693.001-R-1
PARCEL NO.: 16-07-101-006

The parties of record before the Property Tax Appeal Board are Ali Haghigat, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$268,520
IMPR.: \$604,371
TOTAL: \$872,891

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 6,227 square feet of living area. The dwelling was constructed in 2012 that is approximately 7 years old. Features of the home include a full unfinished basement, central air conditioning, two fireplaces and an attached garage with 925 square feet of building area. The property has a 106,722 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables located within the same assessment neighborhood as the subject property. The comparables are improved with either 1.8-story or 2-story dwellings of brick exterior construction that range in size from 5,370 to 7,400 square feet of living area. The dwellings were built from 2001 to 2012. Each comparable has a full basement with two having finished area, central air conditioning, three to five fireplaces, and an attached garage ranging in size from 762 to 1,100 square feet of building area. The comparables have improvement assessments that range from \$454,939 to \$654,866 or from \$77.42 to \$92.18 per square foot of living area. Based on this evidence, the

appellant requested the subject's improvement assessment be reduced to \$529,139 or \$84.97 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$872,891. The subject property has an improvement assessment of \$604,371 or \$97.06 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted the subject's property record card and a grid analysis of five suggested equity comparables located within the same assessment neighborhood as the subject property. The comparables are improved with 1.5-story to 2-story dwellings of brick exterior construction ranging in size from 6,020 to 7,010 square feet of living area. The dwellings were built from 2008 to 2016. Each comparable has a full basement with two comparables having finished area, central air conditioning, one or three fireplaces and an attached garage ranging in size from 816 to 1,150 square feet of building area. Three comparables have an inground concrete pool. The comparables have improvement assessments ranging from \$561,476 to \$686,359 or from \$93.27 to \$109.62 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #1 and #3 along with the board of review comparables #4 and #5 for these comparables differ in design when compared to the subject. The Board gave less weight to the board of review comparables #1 and #3 due to these comparables having an inground concrete swimming pool that the subject lacks.

The Board finds the best evidence of assessment equity are the appellant's comparables #2 and #4 along with the board of review comparable #2 as these comparables are similar when compared to the subject in age and some features. These comparables have improvement assessments ranging from \$494,953 to \$686,020 or from \$81.80 to \$109.62 per square foot of living area. The subject's improvement assessment of \$604,371 or \$97.06 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
