

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Denise Peterson
DOCKET NO.: 19-03788.001-R-1
PARCEL NO.: 15-18-302-016

The parties of record before the Property Tax Appeal Board are Denise Peterson, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$49,631
IMPR.: \$264,707
TOTAL: \$314,338

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 5,539 square feet of living area. The dwelling was constructed in 1993 and is approximately 26 years old. Features of the home include a full unfinished basement, central air conditioning, three fireplaces and a 920 square foot garage. The property has an approximately 36,500 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of Dryvit or wood siding exterior construction ranging in size from 4,858 to 5,824 square feet of living area. The dwellings range in age from 20 to 27 years old. The appellant reported that each comparable has a full or partial

basement, two of which have finished area. Each comparable has central air conditioning, one or two fireplaces and a garage that ranges in size from 796 to 1,016 square feet of building area. The comparables have improvement assessments that range from \$188,799 to \$224,151 or from \$36.85 to \$45.83 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$224,329 or \$40.50 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$314,338. The subject property has an improvement assessment of \$264,707 or \$47.79 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of Dryvit or brick exterior construction ranging in size from 5,519 to 5,594 square feet of living area. The dwellings were built from 1993 to 2000. The board of review reported that each comparable has a full basement with a recreation room, central air conditioning, two to four fireplaces and a garage that ranges in size from 805 to 1,325 square feet of building area. Comparables #1 and #5 each have an inground swimming pool. The comparables have improvement assessments that range from \$270,758 to \$277,157 or from \$48.86 to \$50.03 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3 due to their smaller dwelling sizes when compared to the subject dwelling. The Board gives reduced weight to board of review comparables #1 and #5 as each has an inground swimming pool, not a feature the subject enjoys.

The Board finds the best evidence of assessment equity to be the appellant's comparable #1 and board of review comparables #2, #3 and #4, which are similar to the subject in location, dwelling size, design, age and most features. The comparables have improvement assessments ranging from \$214,596 to \$277,157 from \$36.85 to \$49.97 per square foot of living area. The subject's improvement assessment of \$264,707 or \$47.79 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
