

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrew Wyrwicz
DOCKET NO.: 19-03792.001-R-1
PARCEL NO.: 15-13-101-064

The parties of record before the Property Tax Appeal Board are Andrew Wyrwicz, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$80,331
IMPR.: \$256,823
TOTAL: \$337,154

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,806 square feet of living area. The dwelling was constructed in 1993 and is approximately 26 years old. Features of the home include a partial basement with a recreation room, central air conditioning, two fireplaces and a 962 square foot garage.¹ The property has an approximately 22,650 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick or wood siding exterior

construction ranging in size from 4,543 to 5,682 square feet of living area. The dwellings range in age from 19 to 28 years old. The appellant reported that each comparable has a full basement, two of which have finished area. Each comparable has central air conditioning, two or three fireplaces and a garage that ranges in size from 809 to 988 square feet of building area. The comparables have improvement assessments that range from \$183,067 to \$270,363 or from \$40.30 to \$49.42 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$223,118 or \$46.42 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$337,154. The subject property has an improvement assessment of \$256,823 or \$53.44 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are numbered #1, #2, #3 and #5 in the board of review's grid analysis. The comparables are improved with two-story dwellings of wood siding, brick and Dryvit, wood siding and brick or Dryvit and stone exterior construction ranging in size from 4,743 to 4,910 square feet of living area. The dwellings were built from 1993 to 1999. Comparable #1 has an effective age of 1998. The board of review reported that each comparable has a full basement, three of which have recreation rooms. Each comparable has central air conditioning, one or three fireplaces and a garage that ranges in size from 832 to 916 square feet of building area. The comparables have improvement assessments that range from \$251,970 to \$275,297 or from \$52.30 to \$57.06 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #4 due to their considerably larger dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which are similar to the subject in location, dwelling size, design, age and features, except two comparables have unfinished basements in contrast to the subject's basement which has a recreation room. The comparables have improvement assessments ranging from \$183,067 to \$275,297 from \$40.30 to \$57.06 per square foot of living area. The subject's improvement assessment of \$256,823 or \$53.44 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the comparables for

differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
