

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aaron Bartz
DOCKET NO.: 19-03806.001-R-1
PARCEL NO.: 13-16-408-003

The parties of record before the Property Tax Appeal Board are Aaron Bartz, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,154
IMPR.: \$204,915
TOTAL: \$243,069

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding and brick exterior construction with 4,506 square feet of living area. The dwelling was constructed in 2015 and is approximately 14 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 1,051 square foot attached garage. The property has a 42,253 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject and from 1 mile to 1.20 miles from the subject property. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 4,329 to 5,083 square feet of living area. The dwellings are either 18 or 19 years old. The appellant reported that each

comparable has a basement, three of which have finished area. Each comparable has central air conditioning, one or two fireplaces and an attached garage that ranges in size from 714 to 925 square feet of building area. The comparables have improvement assessments that range from \$156,974 to \$183,372 or from \$35.79 to \$36.26 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$162,441 or \$36.05 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$243,069. The subject property has an improvement assessment of \$204,915 or \$45.48 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject and from .17 of a mile to 1.60 miles from the subject property. The comparables are improved with two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 4,446 to 5,149 square feet of living area. The dwellings were built from 1994 to 2009 with comparable #4 having a reported effective age of 1995. The board of review reported that each comparable has a basement with a recreation room, central air conditioning, one to four fireplaces and an attached garage that ranges in size from 736 to 1,227 square feet of building area. Comparable #1 also has a 576 square foot detached garage. Four comparables each have an inground swimming pool. The comparables have improvement assessments that range from \$269,428 to \$290,188 or from \$55.43 to \$63.48 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten suggested equity comparables for the Board's consideration. The Board gives less weight to board of review comparables #1, #3, #4 and #5 as each has an inground swimming pool, not a feature of the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables, despite the fact that the appellant's comparables are located a mile or more away from the subject. These comparables are relatively similar to the subject in dwelling size, design, age and some features. The comparables have improvement assessments that range from \$156,974 to \$285,428 or from \$35.79 to \$55.43 per square foot of living area. The subject's improvement assessment of \$204,915 or \$45.48 per square foot of living area falls within the range established by the most similar comparables in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is justified. Based on this record, the Board finds the appellant did not demonstrate

with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
