

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carl Ruzicka
DOCKET NO.: 19-03826.001-R-1
PARCEL NO.: 16-36-308-041

The parties of record before the Property Tax Appeal Board are Carl Ruzicka, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$70,883
IMPR.: \$52,244
TOTAL: \$123,127

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick and wood siding exterior construction with 1,272 square feet of living area. The dwelling was constructed in 1951 and is approximately 68 years old. Features of the home include a basement with finished area, two fireplaces and a 264 square foot garage. The property has a 12,650 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with one-story dwellings of brick or wood siding exterior construction ranging in size from 1,314 to 1,854 square feet of living area. The dwellings range in age from 70 to 110 years old. The appellant reported that two comparables have concrete slab

foundations, two comparables have unfinished basements, three comparables have central air conditioning and each comparable has a fireplace and a garage that ranges in size from 216 to 624 square feet of building area. The comparables have improvement assessments that range from \$41,646 to \$51,694 or from \$27.88 to \$31.69 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$38,255 or \$30.07 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$123,127. The subject property has an improvement assessment of \$52,244 or \$41.07 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with one-story dwellings of brick or brick and wood siding exterior construction ranging in size from 1,551 to 1,790 square feet of living area. The dwellings were built from 1952 to 1962 with comparable #1 having a reported effective age of 1968. Each comparable has a basement, two of which have recreation rooms, three comparables have central air conditioning and each comparable has one or two fireplaces and a garage that ranges in size from 273 to 506 square feet of building area. The comparables have improvement assessments that range from \$73,483 to \$93,045 or from \$41.05 to \$53.30 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #3, as well as board of review comparables #1 and #4 which differ from the subject in foundation type or age/effective age. The Board finds the best evidence of assessment equity to be the parties' remaining comparables. These three comparables are relatively similar to the subject in location, design, age and some features, although each dwelling is larger in size when compared to the subject. The comparables have improvement assessments that range from \$41,646 to \$82,671 or from \$31.69 to \$53.30 per square foot of living area. The subject's improvement assessment of \$52,244 or \$41.07 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
