

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dvora Heller
DOCKET NO.: 19-03828.001-R-1
PARCEL NO.: 16-34-201-036

The parties of record before the Property Tax Appeal Board are Dvora Heller, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$43,389
IMPR.: \$82,660
TOTAL: \$126,049

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,126 square feet of living area. The dwelling was constructed in 1963 and is approximately 56 years old. Features of the home include a full unfinished basement, central air conditioning and a 462 square foot garage. The property has an 8,350 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 1,707 to 2,632 square feet of living area. The dwellings range in age from 41 to 81 years old. The appellant reported that each comparable has a full basement,

one of which has finished area. The comparables each have central air conditioning, a fireplace and a garage that ranges in size from 220 to 441 square feet of building area. The comparables have improvement assessments that range from \$56,676 to \$87,418 or from \$32.75 to \$33.28 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$70,423 or \$33.12 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$126,049. The subject property has an improvement assessment of \$82,660 or \$38.88 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick, wood siding or wood siding and brick exterior construction ranging in size from 2,067 to 2,177 square feet of living area. The dwellings were built from 1949 to 1970 with comparable #4 having a reported effective age of 1969. The board of review reported one comparable has a crawl space foundation and three comparables each have a full basement, one of which has a recreation room. Each comparable has central air conditioning and a garage that ranges in size from 375 to 484 square feet of building area. Two comparables each have a fireplace. The comparables have improvement assessments that range from \$81,949 to \$85,082 or from \$38.46 to \$40.98 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables due to their dissimilar ages when compared to the subject dwelling. Furthermore, appellant's comparables #1, #2 and #3 differ from the subject in dwelling size. The Board finds the best evidence of assessment equity to be the comparables submitted by the board of review, which are similar to the subject in location, dwelling size, design, age/effective age and some features. The comparables have improvement assessments ranging from \$81,949 to \$85,082 or from \$38.46 to \$40.98 per square foot of living area. The subject's improvement assessment of \$82,660 or \$38.88 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
