

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wendell Valiant  
DOCKET NO.: 19-03855.001-R-1  
PARCEL NO.: 16-25-404-001

The parties of record before the Property Tax Appeal Board are Wendell Valiant, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$91,960  
**IMPR.:** \$107,624  
**TOTAL:** \$199,584

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,914 square feet of living area. The dwelling was constructed in 1925 and is approximately 94 years old. Features of the home include a basement with a recreation room, central air conditioning, a fireplace and a 450 square foot attached garage. The property has approximately an 11,900 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same neighborhood code as the subject. The comparables are described as two-story dwellings of brick or wood siding exterior construction ranging in size from 2,494 to 3,356 square feet of living area. The dwellings range in age from 70 to 95 years old. Each comparable has a basement, with two having finished area, central air conditioning, one or two fireplaces and an attached or detached garage ranging in size from 308 to 690 square

feet of building area. The comparables have improvement assessments ranging from \$71,567 to \$105,413 or from \$25.12 to \$33.55 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$199,584. The subject property has an improvement assessment of \$107,624 or \$36.93 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located within the same neighborhood code as the subject. The comparables are described as two-story dwellings of wood siding exterior construction ranging in size from 2,892 to 3,045 square feet of living area. The dwellings were constructed from 1926 to 1949. Each comparable has a basement with four having recreation rooms, central air conditioning, one or two fireplaces and an attached or detached garage ranging in size from 361 to 782 square feet of building area. Comparable #5 has an additional 280 square foot detached garage. The comparables have improvement assessments ranging from \$109,042 to \$149,753 or from \$36.17 to \$50.99 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gave less weight to appellant's comparables #1, #2 and #3 due to their differences in dwelling size when compared to the subject. The Board also gave less weight to board of review comparable #2 and #3 due to their difference in year built when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which overall are more similar to the subject in location, design, year built, dwelling size and most features. However, two comparables have unfinished basements and one comparable has an additional garage unlike the subject. The four best comparables have improvement assessments ranging from \$105,413 to \$143,322 or from \$33.55 to \$48.45 per square foot of living area. The subject's improvement assessment of \$107,624 or \$36.93 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not prove by clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
