

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donald Mulack  
DOCKET NO.: 19-03936.001-R-1  
PARCEL NO.: 16-09-207-007

The parties of record before the Property Tax Appeal Board are Donald Mulack, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$96,741  
**IMPR.:** \$150,391  
**TOTAL:** \$247,132

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick and wood siding exterior construction with 3,156 square feet of living area. The dwelling was built in 1960 and is approximately 59 years old. Features of the home include a basement with a recreation room, central air conditioning, two fireplaces, and a 504 square foot garage. The property has a 21,730 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same neighborhood code as the subject. The comparables are described as one-story dwellings of brick or wood siding exterior construction ranging in size from 2,492 to 2,966 square feet of living area. The dwellings range in age from 60 to 65 years old. The comparables have basements with two having finished area. Each comparable has

central air conditioning, one to three fireplaces, and a garage ranging in size from 377 to 600 square feet of building area. The comparables have improvement assessments ranging from \$109,787 to \$133,179 or from \$42.60 to \$44.90 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$247,132. The subject property has an improvement assessment of \$150,391 or \$47.65 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located within the same neighborhood code as the subject. The comparables are described as one-story dwellings of brick or wood siding exterior construction ranging in size from 3,112 to 3,223 square feet of living area. The dwellings were built from 1958 to 1966. Three comparables have basements, two of which have recreation rooms. Two comparables have concrete slab foundations. Four comparables have central air conditioning. Each comparable has one to three fireplaces and a garage ranging in size from 484 to 588 square feet of building area. Comparable #1 has an inground swimming pool. The comparables have improvement assessments ranging from \$127,538 to \$167,175 or from \$39.57 to \$53.07 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #1, #2, and #3 due to their larger dwelling sizes when compared to the subject. The Board also gave reduced weight to board of review comparables #1, #3 and #5. Comparable #1 has an inground swimming pool, not a feature of the subject and comparables #3 and #5 have concrete slab foundations when compared to the subject's basement foundation.

The Board finds the best evidence of assessment equity to be appellant's comparable #4 and board of review comparables #2 and #4 which overall are most similar to the subject in location, dwelling size, age and features. These comparables have improvement assessments ranging from \$133,179 to \$167,175 or from \$44.90 to \$53.07 per square foot of living area. The subject's improvement assessment of \$150,391 or \$47.65 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not prove by clear and convincing evidence that the subject's improvement assessment was inequitably assessed and a reduction in the subject's improvement assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
