

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lawrence Steinway
DOCKET NO.: 19-03960.001-R-1
PARCEL NO.: 16-28-407-003

The parties of record before the Property Tax Appeal Board are Lawrence Steinway, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$65,669
IMPR.: \$162,945
TOTAL: \$228,614

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 3,617 square feet of living area. The dwelling was built in 1969 and is approximately 50 years old. Features of the home include a partial basement with a recreation room, central air conditioning, a fireplace and a 483 square foot garage. The property has a 12,288 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same neighborhood code as the subject. The comparables are improved with two-story dwellings of brick exterior construction ranging in size from 3,264 to 4,387 square feet of living area. The dwellings range in age from 43 to 78 years old. Three comparables have partial or full basements with two having recreation rooms and one

comparable has a concrete slab foundation. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 484 to 884 square feet of building area. The comparables have improvement assessments ranging from \$123,070 to \$189,534 or from \$33.30 to \$43.39 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$228,614. The subject property has an improvement assessment of \$162,945 or \$45.05 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject. The comparables are described as two-story dwellings of brick and wood siding exterior construction ranging in size from 3,506 to 3,694 square feet of living area. The dwellings were constructed from 1968 to 1979. Three comparables have partial or full basements with one having a recreation room and one comparable has a concrete slab foundation. Each comparable has central air conditioning, a fireplace and a garage ranging in size from 484 to 1,134 square feet of building area. Comparable #4 has an inground swimming pool. The comparables have improvement assessments ranging from \$154,196 to \$173,762 or from \$43.98 to \$48.63 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #1, #2, and #3 due to difference in age, foundation type and dwelling size when compared to the subject, respectively. The Board gave less weight to board of review comparable #2 due to its significantly larger garage when compared to the subject and to board of review comparable #4 which has an inground swimming pool, not a feature of the subject.

The Board finds the best evidence of assessment equity to be appellant's comparable #4 and board of review comparables #1 and #3 which overall are more similar to the subject in location, style, age, dwelling size and features. These comparables have improvement assessments ranging from \$162,105 to \$163,558 or from \$43.39 to \$46.28 per square foot of living area. The subject's improvement assessment of \$162,945 or \$45.05 per square foot of living area is within the range established by the best comparables in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not prove by clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
