

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Debra Hirsch
DOCKET NO.: 19-03968.001-R-1
PARCEL NO.: 15-25-106-028

The parties of record before the Property Tax Appeal Board are Debra Hirsch, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$81,106
IMPR.: \$375,227
TOTAL: \$456,333

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 6,156 square feet of living area. The dwelling was built in 1994 and is approximately 25 years old. Features of the home include an unfinished basement, central air conditioning, four fireplaces and a 1,008 square foot garage. The property has a 41,630 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located within the same neighborhood code as the subject and .87 to 1.59 miles from the subject property. The comparables are described as two-story dwellings of Dryvit or brick exterior construction ranging in size from 5,390 to 6,893 square feet of living area. The dwellings range in age from 22 to 40 years old. The comparables have unfinished basements,

central air conditioning, two or four fireplaces, and garages ranging in size from 726 to 990 square feet of building area. The comparables have improvement assessments ranging from \$241,924 to \$339,713 or from \$44.88 to \$55.47 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$456,333. The subject property has an improvement assessment of \$375,227 or \$60.95 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject and .33 to .65 of a mile from the subject property. The comparables are described as two-story dwellings of brick, Dryvit, or brick and Dryvit exterior construction ranging in size from 6,144 to 6,537 square feet of living area. The dwellings were constructed from 1996 to 2003. The comparables have basements with one having a recreation room. Each comparable has central air conditioning, four or five fireplaces, and a garage ranging in size from 738 to 1,410 square feet of building area. One comparable has an inground swimming pool. The comparables have improvement assessments ranging from \$382,757 to \$401,956 or from \$61.49 to \$64.54 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted seven equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparables due to their differences in dwelling size when compared to the subject. In addition, comparable #3 is located over 1 mile from the subject. The Board also gave less weight to board of review comparable #2 which has a basement recreation room and an inground swimming pool, not features of the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #3 and 4 which overall are most similar to the subject in location, age, dwelling size and features. These comparables have improvement assessments ranging from \$382,757 to \$401,956 or from \$61.49 to \$64.54 per square foot of living area. The subject's improvement assessment of \$375,227 or \$60.95 per square foot of living area falls below the range established by the best comparables in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not prove by clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
