

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gregory Timm
DOCKET NO.: 19-03972.001-R-1
PARCEL NO.: 13-15-302-010

The parties of record before the Property Tax Appeal Board are Gregory Timm, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$36,727
IMPR.: \$70,541
TOTAL: \$107,268

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 1,512 square feet of living area. The dwelling was built in 1972 and is approximately 47 years old. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a 621 square foot garage. The property has a 40,672 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same neighborhood code as the subject and from .06 of a mile to 1.94 miles from the subject. The comparables are described as one-story dwellings of wood siding exterior construction ranging in size from 1,452 to 1,890 square feet of living area. The dwellings range in age from 43 to 62 years old. The comparables have basements, one of which

have finished area. Three comparables have central air conditioning, three comparables each have one fireplace and each comparable has a garage ranging in size from 528 to 644 square feet of building area. The comparables have improvement assessments ranging from \$52,043 to \$79,307 or from \$35.84 to \$43.90 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$107,268. The subject property has an improvement assessment of \$70,541 or \$46.65 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located within the same neighborhood code as the subject and from .06 of a mile to 2 miles from the subject.¹ The comparables are described as one-story dwellings of frame or frame and brick exterior construction ranging in size from 1,342 to 1,640 square feet of living area. The dwellings were constructed from 1964 to 1976. The comparables have basements with three having a walk-out and three having finished area. Four comparables have central air conditioning, four comparables each have one or two fireplaces, and each comparable has a garage ranging in size from 420 to 1,188 square feet of building area. The comparables have improvement assessments ranging from \$62,228 to \$77,178 or from \$43.90 to \$49.12 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted eight equity comparables for the Board's consideration, one of which was common to both parties. The Board gave less weight to the appellant's comparables #1, #2 and #3 along with board of review comparables #2 and #3 due to their distant locations being over 1 mile from the subject or a larger dwelling size when compared to the subject. The Board finds the best evidence of assessment equity to be the parties' remaining comparables which includes the common comparable. These three comparables are overall most similar to the subject in location, age, dwelling size and features. These comparables have improvement assessments ranging from of \$62,228 to \$77,178 or from \$43.90 to \$47.41 per square foot of living area. The subject's improvement assessment of \$70,541 or \$46.65 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not prove by clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment is not justified.

¹ Board of review comparable #5 and appellant's comparable #4 are the same property.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
