APPELLANT: Reynoldo A. & Susan Doldolea Nacion TTees
DOCKET NO.: 19-04047.001-R-1
PARCEL NO.: 10-14-405-0002

The parties of record before the Property Tax Appeal Board are Reynoldo A. & Susan Doldolea Nacion TTees, the appellant, by attorney Joan Vasquez, of Property Tax Appeals, LLC in Palatine, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,203
IMPR.: \$115,878
TOTAL: \$144,081

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 3,405 square feet of living area. The dwelling was built in 1997. Features of the home include a walk-out basement with a recreation room, central air conditioning, a fireplace, and an 824 square foot three-car garage.¹ The subject property has a 12,200 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on four comparable sales located within .75 of a mile from the subject. The comparables consist of two-story dwellings of vinyl siding or vinyl siding and brick

exterior construction that were built from 1996 to 2001 years old. The dwellings range in size from 3,162 to 3,408 square feet of living area and are situated on sites that range in size from 12,200 to 20,040 square feet of land area. The comparables have basements, with three having finished area.² Other features of each comparable include central air conditioning and a three-car garage. Two comparables each have a fireplace. Comparable #4 has a 648 square foot inground swimming pool. The comparables sold from February to October 2018 for prices ranging from \$382,200 to \$397,500 or from \$112.91 to \$124.60 per square foot of living area, including land. The appellants disclosed comparables #1 and #3 have selling concessions of \$7,800 and \$5,000, respectively. Based on this evidence, the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$144,081. The subject's assessment reflects an estimated market value of \$438,069 or \$128.62 per square foot of living area, including land, when applying the 2019 three-year average median level of assessment for Lake County of 32.89%.

In response to the appeal, the board of review submitted property record cards and a grid analysis of the appellants' comparables. The board of review also noted that appellants' comparables #3 and #4 are located outside the subject's neighborhood.

In support of the subject's assessment, the board of review submitted information on three comparable sales located within the same neighborhood code as the subject and within .48 of a mile from the subject. The comparables consist of two-story dwellings of vinyl siding exterior construction that were built from 1996 to 1998. The dwellings range in size from 3,333 to 3,413 square feet of living area and are situated on sites that have 12,200 or 12,630 square feet of land area. Each comparable has a basement with a recreation room, central air conditioning, one fireplace and a garage that has 726 or 824 square feet of building area. Comparable #2 has a 150 square foot frame utility shed. The comparables sold in April and August 2018 for prices ranging from \$420,000 to \$455,000 or from \$126.01 to \$133.31 per square foot of living area, including land. The board of review submitted a MLS sheet for comparable #4. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The record contains seven comparable sales for the Board's consideration. The Board gives less weight to the appellants' comparable #1 which has an unfinished basement and appellants'

comparable #4 which has a larger site and an inground swimming pool when compared to the subject.

The Board finds the best evidence of the market value to be the parties' remaining comparable sales. These comparables are relatively similar to the subject in location, age, lot size, dwelling size and most features. These comparables sold from March to October 2018 for prices ranging from \$382,200 to \$455,000 or from \$112.91 to \$133.31 per square foot of living area, including land. The subject's assessment reflects an estimated market value of \$438,069 or \$128.62 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
