

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin Coogan
DOCKET NO.: 19-04298.001-R-1
PARCEL NO.: 15-29-308-039

The parties of record before the Property Tax Appeal Board are Kevin Coogan, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,652
IMPR.: \$118,732
TOTAL: \$149,384

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,475 square feet of living area. The dwelling was constructed in 1972. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 440 square foot garage. The property has an 8,775 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.77 of a mile from the subject property. The comparables have sites with 8,775 or 10,605 square feet of land area and are improved with two-story dwellings of frame exterior construction that have either 2,115 or 2,560 square feet of living area. The dwellings were built from 1968 to 1972. Each comparable has a basement, two with finished area, central air conditioning, one or two fireplaces and a

garage with 480 or 500 square feet of building area. The properties sold from June 2018 to August 2019 for prices ranging from \$277,500 to \$390,000 or from \$115.23 to \$184.40 per square foot of living area, land included.

The appellant submitted the Multiple Listing Service sheet for comparable #2 which described the property as needing "TLC." Based on this evidence, the appellant requested the subject's assessment be reduced to \$120,438 which reflects a market value of \$361,350 or \$146.00 per square foot of living area, land included, when applying the statutory assessment level of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$149,384. The subject's assessment reflects a market value of \$454,193 or \$183.51 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same assessment neighborhood code as the subject property. Board of review comparable #4 reflects a 2020 sale of the appellant's comparable #2. The comparables have sites that range in size from 8,770 to 12,000 square feet of land area and are improved with two-story dwellings of wood siding exterior construction with either 2,115 or 2,403 square feet of living area. The homes were built from 1968 to 1972. Three comparables each have a basement, one with finished area and one comparable has a crawl space foundation. Each comparable has central air conditioning, one fireplace and a 500 square foot garage. The properties sold from May 2018 to April 2020 for prices ranging from \$410,000 to \$465,000 or from \$170.62 to \$219.86 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration with one property having sold twice. The Board gives less weight to the appellant's comparable #2 and board of review comparable #4 which are two sales of the same property and where the 2019 sale was described as needing updates while the 2020 sale price was 69% higher than the 2019 sale price. The Board gives reduced weight to the board of review comparable #3 which has a crawl space foundation compared to the subject's unfinished basement.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, design, dwelling size and features. These comparables sold from May to November 2018 for prices ranging from \$295,000 to \$449,500 or

from \$115.23 to \$212.53 per square foot of living area, including land. The subject's assessment reflects a market value of \$454,193 or \$183.51 per square foot of living area, including land, which falls above the range on an overall basis and within the range of the best comparables on a per square foot basis. After considering adjustments to the comparables for differences from the subject, such as finished basements and larger site sizes, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
