

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kartik Vaidyanathan  
DOCKET NO.: 19-04308.001-R-1  
PARCEL NO.: 15-28-409-008

The parties of record before the Property Tax Appeal Board are Kartik Vaidyanathan, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$20,828  
**IMPR.:** \$132,051  
**TOTAL:** \$152,879

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,814 square feet of living area. The dwelling was constructed in 1987. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 462 square foot garage. The property has a 12,522 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within 0.41 of a mile from the subject property. The comparables have sites that range in size from 6,825 to 11,594 square feet of land area and are improved with two-story dwellings of frame exterior construction that range in size from 2,377 to 2,930 square feet of living area. The dwellings were built from 1985 to 1988. Each comparable has a basement, four with finished area, central air conditioning and a

garage ranging in size from 400 to 460 square feet of building area. Two comparables each have one fireplace. The properties sold from December 2018 to July 2019 for prices ranging from \$387,000 to \$480,000 or from \$151.88 to \$174.59 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$140,686 which reflects a market value of \$422,100 or \$150.00 per square foot of living area, land included, when applying the statutory assessment level of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$152,879. The subject's assessment reflects a market value of \$464,819 or \$165.18 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.39 of a mile from the subject property. Board of review comparables #1 and #2 are the same properties as the appellant's comparables #1 and #5, respectively. The comparables have sites that range in size from 6,930 to 11,600 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,444 to 2,930 square feet of living area. The homes were built from 1981 to 1988. Two comparables each have a finished basement and two comparables each have a concrete slab foundation. Each comparable has central air conditioning and a garage ranging in size from 420 to 460 square feet of building area. One comparable has a fireplace. The properties sold from August 2018 to July 2019 for prices ranging from \$429,000 to \$480,000 or from \$151.88 to \$186.13 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration as two properties were common to both parties. The Board gives less weight to the appellant's comparables #2 and #6 along with board of review comparables #3 and #4 which have either an unfinished basement or a slab foundation in contrast to the subject's finished basement.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, design, dwelling size and features, but where each of these properties has a smaller site size when compared to the subject's site size. These comparables sold from December 2018 to July 2019 for prices ranging from \$390,000 to \$480,000 or from \$151.88 to \$174.42 per square foot of living area, including land. The subject's assessment reflects a market value of \$464,819 or \$165.18 per square foot of living area, including land, which falls within the range established by the best comparable sales in this

record. After considering adjustments to the comparables for differences from the subject, such as site size, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
