

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Reed & Susan Rehorst
DOCKET NO.: 19-04335.001-R-1
PARCEL NO.: 15-28-207-034

The parties of record before the Property Tax Appeal Board are Reed & Susan Rehorst, the appellants, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,989
IMPR.: \$93,016
TOTAL: \$131,005

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of wood siding exterior construction with 1,411 square feet of above grade living area. The dwelling was constructed in 1988. Features of the home include a finished lower level, an unfinished basement, central air conditioning, and a 441 square foot garage.¹ The property has a 11,004 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on three comparable sales located within 0.31 of a mile from the subject property. The comparables have sites that range in size from 9,496 to 11,691 square

¹ The best description of the subject property's characteristics was found in the appellants' grid analysis which describes the subject as having a finished lower level and an unfinished basement. The sketch of the subject's floor plan indicates a 441 square foot garage including 315 square feet of built-in/integral garage area.

feet of land area and are improved with similar split-level dwellings of frame exterior construction with 1,409 square feet of above grade living area. The dwellings were built in 1987 or 1989. The appellants reported that each comparable has a finished lower level, a basement with finished area. Each comparable has central air conditioning, one fireplace and a 420 square foot garage. The properties sold from March 2018 to June 2019 for prices ranging from \$366,000 to \$395,000 or from \$259.76 to \$280.34 per square foot of living area, land included. Based on this evidence, the appellants requested the subject's assessment be reduced to \$124,626 which reflects a market value of \$373,915 or \$265.00 per square foot of living area, land included, when applying the statutory assessment level of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$131,005. The subject's assessment reflects a market value of \$398,313 or \$282.29 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.51 of a mile from the subject property. Board of review comparable #4 is the same property as the appellants' comparable #3. The comparables have sites that range in size from 8,800 to 11,240 square feet of land area and are improved with tri-level dwellings of wood siding exterior construction with 1,409 square feet of above grade living area. The homes were built from 1985 to 1989. The board of review reported that each comparable has a lower level and a basement, with one having finished basement area. Each comparable has central air conditioning and a 420 square foot garage. Four comparables each have a fireplace. The properties sold from August 2018 to August 2019 for prices ranging from \$390,000 to \$412,000 or from \$276.79 to \$292.41 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparable sales for the Board's consideration as one comparable was common to both parties. The Board finds the comparables submitted by both parties are similar to the subject in location, age, design, above grade living area and most features. These comparables sold from March 2018 to August 2019 for prices ranging from \$366,000 to \$412,000 or from \$259.76 to \$292.41 per square foot of living area, including land. The subject's assessment reflects a market value of \$398,313 or \$282.29 per square foot of living area, including land, which falls within the range established by the comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
