

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peggy Cobrin
DOCKET NO.: 19-04336.001-R-1
PARCEL NO.: 15-28-206-047

The parties of record before the Property Tax Appeal Board are Peggy Cobrin, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$43,920
IMPR.: \$115,594
TOTAL: \$159,514

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,279 square feet of living area. The dwelling was constructed in 1988. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 440 square foot garage. The property has a 10,452 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.79 of a mile from the subject property. The comparables have sites that range in size from 8,755 to 13,921 square feet of land area and are improved with two-story dwellings of frame exterior construction with 2,279 square feet of living area. The dwellings were built from 1985 to 1989. Each comparable has a basement, four with finished area, central air conditioning, one or two fireplaces and a 440

square foot garage. The properties sold from April 2018 to May 2019 for prices ranging from \$407,100 to \$478,000 or from \$178.63 to \$209.74 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$149,639 which reflects a market value of \$448,962 or \$197.00 per square foot of living area, land included, when applying the statutory assessment level of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,514. The subject's assessment reflects a market value of \$484,992 or \$212.81 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.56 of a mile from the subject property. The comparables have sites that range in size from 8,760 to 14,070 square feet of land area and are improved with two-story dwellings of wood siding exterior construction with 2,279 square feet of living area. The homes were built from 1986 to 1989. Each comparable has a basement, three with finished area, central air conditioning and a 440 square foot garage. Four comparables each have either one or two fireplaces. The properties sold from March 2018 to August 2019 for prices ranging from \$480,000 to \$520,000 or from \$210.62 to \$228.17 per square foot of living area, land included.

The board of review's grid analysis also disclosed a recent sale of the subject property in June 2020 for a sale price of \$505,000 or \$221.59 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 through #4 along with board of review comparables #3, #4 and #5 each of which feature finished basements in contrast to the subject's unfinished basement.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, design, dwelling size and features. These comparables sold from August 2018 to January 2019 for prices ranging from \$478,000 to \$492,000 or from \$209.74 to \$215.88 per square foot of living area, including land. The subject's assessment reflects a market value of \$484,992 or \$212.81 per square foot of living area, including land, which falls within the range established by the best comparable sales in this

record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

Furthermore, the subject's market value based on its 2019 assessment falls below the June 2019 recent sale price of \$505,000 or \$221.59 per square foot of living area, land included, which suggests the subject property may, in fact, be underassessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
