

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Peterson
DOCKET NO.: 19-04387.001-R-1
PARCEL NO.: 15-24-202-005

The parties of record before the Property Tax Appeal Board are Robert Peterson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$69,753
IMPR.: \$115,189
TOTAL: \$184,942

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,264 square feet of living area. The dwelling was constructed in 1975. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 660 square foot garage. The property has a 21,344 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.36 of a mile from the subject property. The comparables have sites that range in size from 15,682 to 22,651 square feet of land area and are improved with 2-story dwellings of brick and frame exterior construction that range in size from 3,126 to 3,490 square feet of living area. The dwellings were built from 1971 to 1975. Each comparable has a basement with finished area, central air

conditioning, one fireplace and a garage ranging in size from 506 to 650 square feet of building area. The properties sold from February 2018 to July 2019 for prices ranging from \$535,000 to \$582,000 or from \$161.89 to \$180.15 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$184,942 which reflects a market value of \$554,881 or \$170.00 per square foot of living area, land included, when applying the statutory assessment level of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$198,540. The subject's assessment reflects a market value of \$603,649 or \$184.94 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 1.43 miles from the subject property. The comparables have sites that range in size from 20,040 to 37,030 square feet of land area and are improved with 1.5-story or 2-story dwellings of brick or wood siding exterior construction that range in size from 3,206 to 3,390 square feet of living area. The homes were built from 1966 to 1985. Four comparables have a basement with two having finished area and one comparable has a crawl space foundation. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 550 to 1,254 square feet of building area. The properties sold from May 2018 to July 2020 for prices ranging from \$600,000 to \$670,000 or from \$187.15 to \$202.17 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted ten comparable sales for the Board's consideration. The Board gives less weight to the board of review comparables which differ from the subject in location, design, foundation features, garage size and/or sold in 2020 less proximate to the January 1, 2019 assessment date at issue.

The Board finds the best evidence of market value to be the appellant's comparables which are more similar to the subject in location, age, design, dwelling size and features. These comparables sold from February 2018 to July 2019 for prices ranging from \$535,000 to \$582,000 or from \$161.89 to \$180.15 per square foot of living area, including land. The subject's assessment reflects a market value of \$603,649 or \$184.19 per square foot of living area, including land, which falls above the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment, commensurate with the request, is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
