

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Mitchell
DOCKET NO.: 19-04390.001-R-1
PARCEL NO.: 15-24-112-005

The parties of record before the Property Tax Appeal Board are Robert Mitchell, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$65,753
IMPR.: \$123,711
TOTAL: \$189,464

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 2,976 square feet of living area. The dwelling was constructed in 1973. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 552 square foot garage. The property has a 20,040 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within 0.53 of a mile from the subject property. The comparables have sites that range in size from 19,602 to 22,651 square feet of land area and are improved with 2-story dwellings of brick and frame exterior construction that range in size from 2,148 to 2,652 square feet of living area. The dwellings were built from 1963 to 1971. Each comparable has a basement, four with finished area, central

air conditioning, one or two fireplaces and a garage ranging in size from 462 to 552 square feet of building area. The properties sold from October 2018 to July 2019 for prices ranging from \$366,500 to \$605,000 or from \$142.05 to \$235.87 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$168,623 which reflects a market value of \$505,920 or \$170.00 per square foot of living area, land included, when applying the statutory assessment level of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$189,464. The subject's assessment reflects a market value of \$576,054 or \$193.57 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.63 of a mile from the subject property. The comparables have sites that range in size from 20,040 to 26,140 square feet of land area and are improved with 1.5-story or 2-story dwellings of brick, wood siding or brick and wood siding exterior construction that range in size from 2,762 to 3,314 square feet of living area. The homes were built from 1969 to 1980. Each comparable has a basement, three with finished area, central air conditioning, one fireplace and a garage ranging in size from 552 to 575 square feet of building area. The properties sold from September 2018 to July 2019 for prices ranging from \$527,500 to \$670,000 or from \$190.57 to \$221.58 per square foot of living area, land included.

The board of review also submitted the Multiple Listing Service sheet for the appellant's comparable #1 describing the property as being sold in "as is" condition and having "very motivated sellers." Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eleven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1 which was sold in "as is" condition with motivated sellers, suggesting the sale may not have had all of the elements of an arm's length transaction. The Board gives reduced weight to the appellant's comparables #3 through #6 along with board of review comparables #2, #3 and #4 which feature finished basements compared to the subject's unfinished basement and/or differ from the subject in dwelling size.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, design, dwelling size and features. These comparables sold from February to July 2019 for prices ranging from \$585,000 to \$612,000 or

from \$194.48 to \$235.87 per square foot of living area, including land. The subject's assessment reflects a market value of \$576,054 or \$193.57 per square foot of living area, including land, which falls below the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
