

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Erik Hart
DOCKET NO.: 19-04418.001-R-1
PARCEL NO.: 14-29-208-025

The parties of record before the Property Tax Appeal Board are Erik Hart, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,415
IMPR.: \$81,171
TOTAL: \$102,586

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 1,696 square feet of living area. The dwelling was constructed in 1988. Features of the home include an unfinished basement, central air conditioning and a 440 square foot garage. The property has a 12,009 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.62 of a mile from the subject property. The comparables have sites that range in size from 8,875 to 10,277 square feet of land area and are improved with two-story dwellings of frame exterior construction that range in size from 1,550 to 1,900 square feet of living area. The dwellings were built from 1979 to 1987. Each comparable has an unfinished basement, central air conditioning and a garage ranging in size from 400 to 420 square feet of building area. Two of the comparables each have

one fireplace. The properties sold from October 2018 to May 2019 for prices ranging from \$266,000 to \$320,000 or from \$157.96 to \$177.42 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$92,140 which reflects a market value of \$275,448 or \$163.00 per square foot of living area, land included, when applying the statutory assessment level of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$102,586. The subject's assessment reflects a market value of \$311,906 or \$183.91 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.66 of a mile from the subject property. The comparables are reported to have sites that range in size from 8,820 to 12,540 square feet of land area and are improved with one-story or two-story dwellings of wood siding exterior construction that range in size from 1,618 to 1,696 square feet of living area. The homes were built in 1986 or 1987. Each comparable has an unfinished basement and a garage with either 418 or 440 square feet of building area. Four comparables have central air conditioning and three comparables each have one fireplace. The properties sold from May 2018 to August 2020 for prices ranging from \$325,000 to \$385,000 or from \$192.99 to \$227.00 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #4 which is older in age than the subject property and other comparables in the record. The Board gives reduced weight to the board of review's comparable #3 which sold more than 18 months after the January 1, 2019 assessment date and lacks central air conditioning, a feature present in the subject property.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, dwelling size and features. These comparables sold from May 2018 to November 2019 for prices ranging from \$266,000 to \$385,000 or from \$157.96 to \$227.00 per square foot of living area, including land. The subject's assessment reflects a market value of \$311,906 or \$183.91 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
