

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Holly Womack  
DOCKET NO.: 19-04421.001-R-1  
PARCEL NO.: 14-28-401-016

The parties of record before the Property Tax Appeal Board are Holly Womack, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$36,588  
**IMPR.:** \$108,050  
**TOTAL:** \$144,638

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,744 square feet of living area.<sup>1</sup> The dwelling was constructed in 1974. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 480 square foot garage. The property has a 48,369 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.52 of a mile from the

<sup>1</sup> The parties differ as to the dwelling size of the subject property. The Board finds the best evidence of the subject's size was found in the property record card, submitted by the board of review, which included a sketch of the subject's improvement. The appellant submitted a Lake County Property Tax Information sheet which also reported the subject's dwelling size to be 2,744 square feet of living area.

subject property. The comparables have sites that range in size from 43,185 to 47,193 square feet of land area and are improved with 2-story dwellings of frame or brick and frame exterior construction that range in size from 3,232 to 3,902 square feet of living area. The dwellings were built from 1966 to 2002. Each comparable has an unfinished basement, central air conditioning, one to five fireplaces and a garage ranging in size from 528 to 1,101 square feet of building area. The properties sold from June 2018 to July 2019 for prices ranging from \$468,000 to \$540,000 or from \$138.39 to \$147.90 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$129,870 which reflects a market value of \$389,649 or \$142.00 per square foot of living area, land included, when applying the statutory assessment level of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$144,638. The subject's assessment reflects a market value of \$439,763 or \$160.26 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.52 of a mile from the subject property. Board of review comparable #4 is the same property as the appellant's comparable #3. The comparables are reported to have sites that range in size from 37,910 to 47,450 square feet of land area and improved with 1.5-story or 2-story dwellings of brick, wood siding, or brick and wood siding exterior construction that range in size from 2,791 to 3,240 square feet of living area. The homes were built from 1966 to 1978. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from 437 to 609 square feet of building area. The properties sold from June 2018 to August 2020 for prices ranging from \$462,500 to \$561,000 or from \$147.53 to \$187.56 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparable sales for the Board's consideration, as one comparable was common to both parties. The Board gives less weight to the appellant's comparables along with board of review comparables #1 and #5 which differ from the subject in age, dwelling size or sold less proximate in time to the January 1, 2019 assessment date.

The Board finds the best evidence of market value to be the remaining two comparables which are more similar to the subject in location, age, dwelling size and features. These comparables sold in July and June 2019 for prices of \$561,000 and \$541,000 or for \$187.56 and \$185.78 per square foot of living area, including land, respectively. The subject's assessment reflects a

market value of \$439,763 or \$160.26 per square foot of living area, including land, which falls below the two best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
