

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sun Man Tse
DOCKET NO.: 19-04433.001-R-1
PARCEL NO.: 14-25-303-028

The parties of record before the Property Tax Appeal Board are Sun Man Tse, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$27,092
IMPR.: \$186,055
TOTAL: \$213,147

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 3,411 square feet of living area. The dwelling was constructed in 2016. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 775 square foot garage. The property has a 37,811 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located from 0.25 of a mile to 1.59 miles from the subject property. The comparables have sites that range in size from 44,899 to 130,569 square feet of land area and are improved with two-story dwellings of brick, frame or brick and frame exterior construction that range in size from 3,386 to 4,047 square feet of living area. The dwellings were built from 1992 to 1997. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 660 to

827 square feet of building area. The properties sold from March 2018 to March 2019 for prices ranging from \$605,000 to \$700,000 or from \$161.60 to \$199.89 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$192,134 which reflects a market value of \$576,460 or \$169.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$213,147. The subject's assessment reflects a market value of \$648,060 or \$189.99 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales located from 0.25 of a mile to one mile from the subject property. Board of review comparables #1, #5 and #6 are the same properties as the appellant's comparables #5, #4 and #3, respectively. The comparables have sites that range in size from 44,899 to 101,138 square feet of land area and are improved with two-story dwellings of frame or brick and frame exterior construction that range in size from 3,135 to 3,654 square feet of living area. The homes were built from 1989 to 1998. Each comparable has an unfinished basement, central air conditioning, one to three fireplaces and a garage ranging in size from 660 to 920 square feet of building area. The properties sold from May 2017 to July 2018 for prices ranging from \$604,000 to \$700,000 or from \$177.89 to \$199.89 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration as three of the properties were common to both parties. The Board gives less weight to the appellant's comparables #1, #3/board of review comparable #6 and #4/board of review comparable #5 along with board of review comparables #2, #3 and #4 which have substantially larger lot sizes, are located greater than one mile from the subject property and/or sold less proximate in time to the January 1, 2019 assessment date at issue.

The Board finds the best evidence of market value to be the appellant's comparables #2 and #5/board of review comparable #1 which are more similar to the subject in location, site size, dwelling size and features, but are both substantially older in age when compared to the subject. These comparables sold in March 2019 and June 2018 for prices of \$675,065 and \$700,000 or for \$171.29 and \$199.89 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$648,060 or \$189.99 per square foot of living area, including land, which falls below the two best comparable sales in this record on an overall

value basis and is bracketed by the two best comparables on a per square foot basis. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
