

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shanmugavel Jayabalan
DOCKET NO.: 19-04498.001-R-1
PARCEL NO.: 15-33-301-042

The parties of record before the Property Tax Appeal Board are Shanmugavel Jayabalan, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,780
IMPR.: \$73,934
TOTAL: \$103,714

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 1,982 square feet of living area. The dwelling was constructed in 1988. Features of the home include a concrete slab foundation, central air conditioning, a fireplace and a 397 square foot garage. The property has a 3,830 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .04 miles from the subject. The comparables have sites ranging in size from 3,187 to 10,209 square feet of land area and are improved with two-story dwellings of frame exterior construction that were built in 1988 or 1989. The dwellings range in size from 1,802 to 2,002 square feet of living area. Each comparable has central air conditioning, one fireplace and a garage with either 397 or 420 square

feet of building area. The comparables sold from April 2018 to May 2019 for prices ranging from \$255,000 to \$294,500 or from \$127.37 to \$163.43 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$103,714. The subject's assessment reflects a market value of \$315,336 or \$159.10 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .22 miles from the subject. Board of review comparables #1 and #2 are duplicates of appellant's comparables #3 and #4, respectively. The board of review comparables #3, #4 and #5 have sites ranging in size from 2,180 to 3,910 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that were built from 1987 to 1995. The dwellings have 1,802 or 1,932 square feet of living area. Two comparables have unfinished basements and one comparable has a concrete slab foundation. Each comparable has central air conditioning, a fireplace, and a garage with either 397 or 420 square feet of building area. The comparables sold from October 2018 to April 2019 for prices ranging from \$300,000 to \$369,900 or from \$157.87 to \$191.46 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration which includes two comparables common to both parties. The Board gives less weight to appellant's comparable #1, the parties' common comparable (appellant's comparable #3/board of review comparable #1) and board of review comparables #3 and #4 which have basement foundations or larger site sizes when compared to the subject.

The Board finds the best evidence of market value to be the three remaining comparables in the record which includes one comparable common to both parties. These comparables are similar to the subject in location, age, dwelling size and features. The comparables have sale dates that occurred from April 2018 to January 2019 for prices ranging from \$293,000 to \$300,000 or from \$147.83 to \$166.48 per square foot of living area, including land. The subject's assessment reflects a market value of \$315,336 or \$159.10 per square foot of living area, including land, which falls within the range on a square foot basis established by the best comparable sales in this record but slightly above the range on an overall basis. However, after considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds a reduction in the subject's the estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
