

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mervyn Kopinsky
DOCKET NO.: 19-04499.001-R-1
PARCEL NO.: 15-33-219-010

The parties of record before the Property Tax Appeal Board are Mervyn Kopinsky, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,485
IMPR.: \$146,791
TOTAL: \$188,276

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,198 square feet of living area. The dwelling was constructed in 1990. Features of the home include a basement with a recreation room, central air conditioning, a fireplace and a 441 square foot garage. The property has a 13,110 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .15 miles from the subject. The comparables have sites ranging in size from 9,918 to 12,407 square feet of land area and are improved with two-story dwellings of frame exterior construction that were built from 1990 to 1993. The dwellings range in size from 2,654 to 3,438 square feet of living area. The comparables have basements with three having recreation rooms. Each comparable has

central air conditioning, one or two fireplaces and a garage ranging in size from 400 to 667 square feet of building area. The appellant submitted Multiple Listing Service (MLS) sheets associated with the sales of comparables #1 and #4. The comparables sold from July 2018 to August 2019 for prices ranging from \$470,000 to \$575,000 or from \$167.25 to \$181.37 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$190,795. The subject's assessment reflects a market value of \$580,100 or \$181.39 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .15 miles from the subject. Board of review comparables #1 through #4 are duplicates of appellant's comparables #1 through #4, respectively. The board of review's additional comparable has a site with 9,920 square feet of land area and is improved with a two-story dwelling of wood siding exterior construction that was built in 1990. The dwelling has 2,820 square feet of living area. The comparable has an unfinished basement, central air conditioning, a fireplace, and a garage with 441 square feet of building area. The comparable sold in July 2019 for a price of \$530,000 or for \$187.94 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains five suggested comparable sales for the Board's consideration which includes four comparables common to both parties. The Board gives less weight to both parties' comparable #2 which is a common comparable and board of review comparable #5 as both have unfinished basements when compared to the subject.

The Board finds the best evidence of market value to be the parties' three remaining common comparables. These comparables are relatively similar to the subject in style, age, dwelling size, and features. The comparables sold from July 2018 to August 2019 for prices of \$510,000 and \$575,000 or from \$167.25 to \$181.37 per square foot of living area, including land. The subject's assessment reflects a market value of \$580,100 or \$181.39 per square foot of living area, including land, which falls slightly above the range established by the best comparable sales in this record both on an overall and a per square foot basis. However, after considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified based on overvaluation.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
