

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karyn Major  
DOCKET NO.: 19-04501.001-R-1  
PARCEL NO.: 15-33-212-037

The parties of record before the Property Tax Appeal Board are Karyn Major, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$24,709  
**IMPR.:** \$107,474  
**TOTAL:** \$132,183

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,444 square feet of living area. The dwelling was constructed in 1979. Features of the home include a concrete slab foundation, central air conditioning, a fireplace, and a 460 square foot garage. The property has a 7,150 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .45 miles from the subject. The comparables have sites ranging in size from 6,930 to 7,700 square feet of land area and are improved with two-story dwellings of frame exterior construction that were built from 1978 to 1986. The dwellings range in size from 2,278 to 2,670 square feet of living area. Each comparable has central air conditioning and a garage ranging in size from 400 to 460 square feet

of building area. One comparable has a fireplace. The appellant also noted comparables #1 and #2 are recent rehabs. The comparables sold from February 2018 to July 2019 for prices ranging from \$360,000 to \$429,000 or from \$158.03 to \$161.62 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$132,183. The subject's assessment reflects a market value of \$401,894 or \$164.44 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .34 miles from the subject. Board of review comparable #4 is a duplicate of appellant's comparable #2. The board of review comparables have sites ranging in size from 7,210 to 9,190 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that were built from 1978 to 1981. The dwellings each have 2,444 square feet of living area. One comparable has an unfinished basement and three comparables have concrete slab foundations. Each comparable has central air conditioning, one fireplace, and a garage with 460 square feet of building area. The comparables sold from April 2018 to March 2019 for prices ranging from \$395,000 to \$454,900 or from \$161.62 to \$186.13 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six suggested comparable sales for the Board's consideration which includes one comparable common to both parties. The Board gives less weight to appellant's comparables #1 and #3 as they are less similar in age and dwelling size when compared to the subject. The Board gives less weight to board of review comparable #3 which has a basement, not a feature of the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables which includes the common comparable. These comparables are similar in location and age and have identical dwelling sizes and features. The comparables sold from April to August 2018 for prices ranging from \$395,000 to \$454,900 or from \$161.62 to \$186.13 per square foot of living area, including land. The subject's assessment reflects a market value of \$401,894 or \$164.44 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Therefore, the Board finds the appellant failed to prove by a preponderance of the evidence that a reduction in the subject's assessment is warranted based on overvaluation.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
