

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gopinath Govindan
DOCKET NO.: 19-04535.001-R-1
PARCEL NO.: 11-28-408-002

The parties of record before the Property Tax Appeal Board are Gopinath Govindan, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$43,770
IMPR.: \$142,615
TOTAL: \$186,385

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 3,240 square feet of living area. The dwelling was constructed in 2003. Features of the home include a basement, central air conditioning, a fireplace and a 598 square foot garage. The property has a 13,290 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on eight comparable sales located from .36 of a mile to 1.40 miles from the subject property. The comparables have sites that range in size from 9,900 to 14,979 square feet of land area. The comparables are improved with two-story dwellings of frame or brick and frame exterior construction ranging in size from 2,968 to 3,321 square feet of living area. The dwellings were built from 1998 to 2002. The comparables each have a basement, central air conditioning and a garage that ranges in size from 430 to 649 square feet of

building area. Six comparables each have either one or two fireplaces. The properties sold from January 2018 to July 2019 for prices ranging from \$462,500 to \$545,000 or from \$147.55 to \$171.83 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$177,102, which would reflect a market value of \$531,359 or \$164.00 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$186,385. The subject's assessment reflects a market value of \$566,692 or \$174.90 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located from .37 of a mile to 1.46 miles from the subject property. The board of review also provided property record cards for the subject and each of its comparables. The comparables have sites that range in size from 9,867 to 12,626 square feet of land area. The comparables are improved with two-story dwellings of frame or brick and frame exterior construction ranging in size from 3,016 to 3,385 square feet of living area. The dwellings were built from 1998 to 2003. The comparables each have a basement, a fireplace and a garage that ranges in size from 506 to 649 square feet of building area. Four comparables each have central air conditioning and one comparable has an inground swimming pool. The properties sold from June 2018 to April 2019 for prices ranging from \$538,000 to \$605,000 or from \$178.24 to \$179.34 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains 13 suggested comparable sales for the Board's consideration, as one sale was common to both parties. The Board gives less weight to the appellant's comparables #1, #2 #5, #6 and #7, along with board of review comparables #1, #3 and #4 due to their distant locations from the subject being more than a mile away. Furthermore, board of review comparable #5 has an inground swimming pool, not a feature of the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables. These comparables are relatively similar to the subject in location, dwelling size, design, age and most features. The comparables sold from January 2018 to July 2019 for prices ranging from \$462,500 to \$577,500 or from \$155.83 to \$179.34 per square foot of living area, including land. The subject's assessment reflects a market value of \$566,692 or \$174.90 per square foot of living area, including land, which falls within the range established by the best comparable sales in the

record both in terms of overall market value and on a price per square foot basis. After considering adjustments to the comparables for differences from the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
