

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matt Gopin  
DOCKET NO.: 19-04724.001-R-2  
PARCEL NO.: 16-20-101-031

The parties of record before the Property Tax Appeal Board are Matt Gopin, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$155,856  
**IMPR.:** \$582,903  
**TOTAL:** \$738,759

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling with wood siding exterior construction containing 7,150 square feet of living area. The dwelling was constructed in 2016. Features of the home include an unfinished basement, central air conditioning, three fireplaces and an attached 800 square foot garage. The property has a 99,320 square foot site and is located in Bannockburn, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .19 to .70 of a mile from the subject and not within the same neighborhood code as the subject. The comparables have sites ranging in size from 79,280 to 238,710 square feet of land area that are improved with two-story dwellings containing from 6,052 to 8,462 square feet of living area. The dwellings were built from 2001 to 2005. The comparables have basements, one of which

has finished area, central air conditioning, from one to three fireplaces and an attached garage ranging in size from 884 to 1,439 square feet of building area. The comparables sold from May to August 2019 for prices ranging from \$985,000 to \$2,800,000 or from \$150.15 to \$330.89 per square foot of living area, including land. The appellant's submission included a brief noting the differences in features of the appellant's comparables, when compared to the subject. The appellant also submitted Multiple Listing Service (MLS) data for the appellant's comparable #1. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$738,759. The subject's assessment reflects a market value of \$2,246,151 or \$314.15 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .40 to .70 of a mile from the subject and not within the same neighborhood code as the subject. The board of review's comparable #2 is the same property as the appellant's comparable #3. The comparables have sites ranging in size from 160,740 to 246,110 square feet of land area that are improved with 2-story dwellings containing from 7,918 to 8,821 square feet of living area. The dwellings were built from 2003 to 2005. The comparables have basements, two of which have finished area, central air conditioning, two or four fireplaces and an attached garage ranging in size from 906 to 1,649 square feet of building area. Two comparables each have a swimming pool. The comparables sold from September 2018 to July 2019 for prices ranging from \$2,400,000 to \$2,800,000 or from \$272.08 to \$341.88 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparable sales for the Board's consideration, one of which was submitted by both parties. The Board finds the parties' comparables are similar to the subject in location and some features. However, each of the parties' comparables has an older dwelling and differ significantly in size, when compared to the subject. Nevertheless, the parties' comparables sold for prices ranging from \$985,000 to \$2,800,000 or from \$150.15 to \$341.77 per square foot of living area, including land. The subject's assessment reflects a market value of \$2,246,151 or \$314.15 per square foot of living area, including land, which falls within the range established by the comparable sales in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
