

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yana Turner
DOCKET NO.: 19-04762.001-R-1
PARCEL NO.: 16-32-402-011

The parties of record before the Property Tax Appeal Board are Yana Turner, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,500
IMPR.: \$162,151
TOTAL: \$213,651

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,081 square feet of living area. The dwelling was constructed in 1959 with an effective age of 1990. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 300 square foot garage. The property has a 9,600 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .48 miles from the subject. The comparables have sites with either 10,790 or 10,800 square feet of land area and are improved with two-story dwellings of wood siding or brick and wood siding exterior construction that were built from 1983 to 1986. The dwellings range in size from 2,814 to 3,208 square feet of living area. The comparables have basements with one having a finished

recreation room. Each comparable has central air conditioning, two comparables each have a fireplace and each comparable has a garage with either 483 or 506 square feet of building area. The comparables sold from April 2018 to July 2019 for prices ranging from \$535,000 to \$615,000 or from \$166.77 to \$218.55 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$213,651. The subject's assessment reflects a market value of \$649,593 or \$210.84 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .44 miles from the subject. The comparables have sites ranging in size from 7,750 to 10,800 square feet of land area and are improved with two-story dwellings of wood siding or brick and wood siding exterior construction that were built from 1954 to 1974 with comparables #1 and #3 having effective ages of 1975 and 1971, respectively. The dwellings range in size from 2,774 to 3,073 square feet of living area. Features of each comparable include an unfinished basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 400 to 550 square feet of building area. The comparables sold from August 2018 to July 2019 for prices ranging from \$585,000 to \$677,000 from \$202.56 to \$220.31 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The record contains seven suggested comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables as all are considerably newer dwellings when compared to the subject.

The Board finds the best evidence of market value to be the board of review comparables which are overall more similar to the subject in location, land size, dwelling size, age and features. These comparables sold from August 2018 to July 2019 for prices ranging from \$585,000 to \$677,000 from \$202.56 to \$220.31 per square foot of living area, including land. The subject's assessment reflects a market value of \$649,593 or \$210.84 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Therefore, after considering adjustments to the comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
