

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carol Strauss
DOCKET NO.: 19-04786.001-R-1
PARCEL NO.: 16-34-303-002

The parties of record before the Property Tax Appeal Board are Carol Strauss, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$74,978
IMPR.: \$99,028
TOTAL: \$174,006

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a one-story dwelling of brick exterior construction with 2,822 square feet of living area. The dwelling was constructed in 1965. Features of the home include a basement that is partially finished with a recreation room, central air conditioning, two fireplaces, and an attached garage with 483 square feet of building area. The property has a 13,430 square foot site and is located in Deerfield, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales improved with one-story dwellings of brick exterior construction ranging in size from 2,789 to 3,234 square feet of living area. The dwellings were built from 1964 to 1987. Each comparable has a basement with two having finished area, central air conditioning, one fireplace and an attached garage ranging in size from 483 to 575 square feet of building area. These properties have sites ranging in size from 10,610

to 23,400 square feet of land area. The sales occurred from November 2018 to July 2019 for prices ranging from \$460,000 to \$620,500 or from \$164.34 to \$191.87 per square foot of living area, land included.

The appellant also submitted a copy of the decision of the board of review disclosing the subject property had a total assessment of \$201,539 reflecting a market value of \$612,767 or \$217.14 per square foot of living area, including land, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue. The appellant requested the subject's assessment be reduced to \$174,006.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the comparable sales submitted by the appellant. These comparables have varying degrees of similarity to the subject property in age, size and features. These comparables sold for prices that ranged from \$164.34 to \$191.87 per square foot of living area, land included. The subject's assessment reflects a market value of \$217.14 per square foot of living area, including land, which falls above the range established by the only comparable sales in this record. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is appropriate on this record.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
