

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mikhail Geyman
DOCKET NO.: 19-04787.001-R-1
PARCEL NO.: 16-34-315-023

The parties of record before the Property Tax Appeal Board are Mikhail Geyman, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$64,886
IMPR.: \$105,097
TOTAL: \$169,983

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick and wood siding exterior construction with 2,314 square feet of living area. The dwelling was constructed in 1987. Features of the home include a basement with a finished recreation room, central air conditioning, a fireplace and a 504 square foot garage. The property has a 13,030 square foot site and is located in Deerfield, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .70 miles from the subject. The comparables are described as two-story dwellings of wood siding or brick and wood siding exterior construction that range in size from 2,429 to 2,794 square feet of living area. The dwellings were built from 1964 to 1977. Comparable #3 has an effective age of 1969. The comparables have basements with two having recreation rooms. Each comparable has

central air conditioning, one or two fireplaces and a garage ranging in size from 467 to 546 square feet of building area. The comparables sold from May 2018 to July 2019 for prices ranging from \$483,500 to \$545,000 or from \$180.21 to \$199.05 per square foot living area, including land.

The appellant also submitted a copy of the decision of the board of review disclosing the subject property had a total assessment of \$184,134, reflecting a market value of \$559,848 or \$241.94 per square foot of living area, including land, when using the 2019 three-year average median level of assessment for Lake County of 32.89%. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property and was found to be in default by letter dated July 1, 2021.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the comparable sales submitted by the appellant. Despite all the comparables being older dissimilar two-story dwellings, they are relatively similar to the subject in location, dwelling size, and some features. These comparables sold from May 2018 to July 2019 for prices ranging from \$483,500 to \$545,000 or from \$180.21 to \$199.05 per square foot of living area, land included. The subject's assessment reflects a market value of \$559,848 or \$241.94 per square foot of living area, which falls above the range established by the only comparable sales in this record. The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the evidence submitted by the appellant and finds that after considering adjustments to the comparables for differences when compared to the subject, a reduction in the assessed valuation of the subject property is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
