

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Igor Menaker
DOCKET NO.: 19-04899.001-R-1
PARCEL NO.: 06-25-107-006

The parties of record before the Property Tax Appeal Board are Igor Menaker, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,967
IMPR.: \$81,062
TOTAL: \$89,029

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,167 square feet of living area. The dwelling was constructed in 1996. Features of the home include a basement with a recreation room, central air conditioning, a fireplace and a 418 square foot garage. The property has a 4,850 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on nine comparable sales located within the same assessment neighborhood code as the subject. The comparables have sites that range in size from 4,410 to 7,630 square feet of land area. The comparables are improved with two-story dwellings of vinyl siding exterior construction ranging in size from 1,710 to 2,157 square feet of living area. The dwellings were built from 1991 to 1997 with comparables #4, #7 and #8 having reported

effective ages of 1994 or 1996. Each comparable has a basement, eight of which have recreation rooms. The comparables each have central air conditioning and a garage that ranges in size from 400 to 420 square feet of building area. Seven comparables each have one fireplace. The properties sold from February to December 2018 for prices ranging from \$219,000 to \$275,000 or from \$101.99 to \$148.20 per square foot of living area, including land. Counsel for the appellant noted differences between six of the comparables and the subject. Based on this evidence, the appellant requested the subject's assessment be reduced to \$85,552, which would reflect a market value of \$256,682 or \$118.45 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$89,029. The subject's assessment reflects a market value of \$270,687 or \$124.91 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within the same assessment neighborhood code as the subject. The board of review's comparable #2 is a duplicate of the appellant's comparable #8. The comparables have sites that range in size from 7,200 to 10,830 square feet of land area. The comparables are improved with two-story dwellings of vinyl siding exterior construction ranging in size from 2,020 to 2,264 square feet of living area. The dwellings were built from 1991 to 1995 with comparables #2 and #3 each having a reported effective age of 1994. Each comparable has a basement, three of which have recreation rooms. The comparables each have central air conditioning and a garage with either 400 or 420 square feet of building area. Three comparables each have one fireplace. The properties sold from July 2018 to November 2019 for prices ranging from \$266,000 to \$314,000 or from \$119.50 to \$155.45 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of 12 suggested comparable sales for the Board's consideration, as one sale was common to both parties. The Board has given less weight to the appellant's comparables #5, #6, #7 and #9 due to their smaller dwelling sizes when compared to the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables, which are similar to the subject in location, dwelling size, design, age and most features. These comparables sold from April 2018 to November 2019 for prices ranging from \$220,000 to \$314,000 or from \$101.99 to \$155.45 per square foot of living area, including land. The

subject's assessment reflects a market value of \$270,687 or \$124.91 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record both in terms of overall market value and on a price per square foot basis. After considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
