

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wendy Doty
DOCKET NO.: 19-04927.001-R-1
PARCEL NO.: 11-16-310-012

The parties of record before the Property Tax Appeal Board are Wendy Doty, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$88,779
IMPR.: \$167,479
TOTAL: \$256,258

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 3,004 square feet of living area. The dwelling was constructed in 1925 and has an effective age 1988. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a 451 square foot garage. The property has a 7,000 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .72 miles from the subject property, one of which is located outside the subject's neighborhood. The comparables have sites that range in size from 8,503 to 10,228 square feet of land area and are improved with two-story dwellings of frame exterior construction that range in size from 2,458 to 3,504 square feet of living area. The dwellings were built from 1925 to 1984 with effective ages from 1944 to

1997. Each comparable has an unfinished basement, one is a walkout, central air conditioning, one fireplace, and one or two garages ranging in size from 244 to 528 per square foot of building area. The appellant submitted Multiple Listing Service sheets associated with the sales of comparables #1 and #2. The appellant asserted comparables #2 and #3 are recent rehabs. The comparables sold from August 2018 to April 2019 for prices ranging from \$540,000 to \$792,000 or from \$179.79 to \$275.77 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$256,258. The subject's assessment reflects a market value of \$779,137 or \$259.37 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .33 miles from the subject and the same neighborhood as the subject. Board of review comparables #2 and #3 were submitted and described by the appellant as comparables #3 and #2, respectively. Board of review comparable #1 is described as two-story dwelling frame exterior construction with 2,694 square feet of living area. The dwelling was built in 1930 and has an effective age of 1992. Features include an unfinished basement, central air conditioning, two fireplaces and a 126 square foot garage. This comparable sold in July 2018 for a price of \$800,000 or \$296.96 per square foot of living area, land included. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted four comparables for the Board's consideration with two comparables common to both parties. The Board gives less weight to appellant's comparable #1 and #2/board of review comparable #3 due to their differences in location, age and/or dwelling size when compared to the subject. The Board finds the best evidence of market value to be the parties' two remaining comparables, which includes a common comparable. These two comparables are more similar overall to the subject in location, actual age, effective age, design, dwelling size, and features. These comparables sold in July and December 2018 for prices of \$792,000 and \$800,000 or \$275.77 and \$296.96 per square foot of living area, including land. The subject's assessment reflects a market value of \$779,137 or \$259.37 per square foot of living area, including land, which falls below the prices of the two best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
