

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edmund Marciniac
DOCKET NO.: 19-04940.001-R-1
PARCEL NO.: 11-14-401-016

The parties of record before the Property Tax Appeal Board are Edmund Marciniac, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$71,106
IMPR.: \$92,628
TOTAL: \$163,734

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame and brick exterior construction with 2,696 square feet of living area. The dwelling was constructed in 1974. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a 1,062 square foot garage. The property has an 84,982 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 0.50 of a mile to 1.25 miles from the subject property. The comparables have sites that range in size from 39,707 to 150,598 square feet of land area and are improved with one-story dwellings of frame, brick or frame and brick exterior construction that range in size from 2,300 to 2,810 square feet of living area. The dwellings were built from 1970 to 1983 with one comparable having an effective age

of 1980. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and one or two garages ranging in size from 483 to 1,122 square feet of combined building area. Comparable #1 also features an inground swimming pool and a bath house. The properties sold in either December 2018 or February 2019 for prices ranging from \$405,000 to \$450,000 or from \$149.47 to \$195.65 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$139,279 which reflects a market value of \$417,879 or \$155.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$163,734. The subject's assessment reflects a market value of \$497,823 or \$184.65 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from 0.19 of a mile to 1.34 miles from the subject property. The comparables have sites that range in size from 43,165 to 181,648 square feet of land area and are improved with one-story dwellings of brick, frame or brick and frame exterior construction that range in size from 2,036 to 3,910 square feet of living area. The homes were built from 1953 to 1972 and have effective ages ranging from 1968 to 1995. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and one or two garages ranging in size from 539 to 1,218 square feet of combined building area. The properties sold from May to December 2018 for prices ranging from \$450,000 to \$910,000 or from \$194.69 to \$261.54 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparable sales for the Board's consideration, as one property was common to both parties. The Board gives less weight to the appellant's comparable #1 which has an inground pool, a feature lacking in the subject property. The Board gives less weight to board of review comparables #3 and #4 which differ from the subject in age, dwelling size and/or site size.

The Board finds the best evidence of market value to be the remaining comparables, including the common property, which are more similar to the subject in age/effective age, design, dwelling size and some features although these properties have varying degrees of similarity to the subject in location, garage size and site size. These comparables sold from May 2018 to February 2019 for prices ranging from \$405,000 to \$565,000 or from \$169.74 to \$195.65 per

square foot of living area, including land. The subject's assessment reflects a market value of \$497,823 or \$184.65 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
