

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ajit Bhatia
DOCKET NO.: 19-04941.001-R-1
PARCEL NO.: 13-36-408-058

The parties of record before the Property Tax Appeal Board are Ajit Bhatia, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,657
IMPR.: \$150,658
TOTAL: \$191,315

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 2,641 square feet of living area. The dwelling was constructed in 2015. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 743 square foot garage. The property has a 10,280 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 0.15 of a mile to 4.81 miles from the subject property. The comparables have sites that range in size from 12,359 to 39,814 square feet of land area and are improved with two-story dwellings of frame or brick and frame exterior construction that range in size from 2,800 to 3,015 square feet of living area. The dwellings were built from 1991 to 2002. Each comparable has a basement with finished area,

central air conditioning, one fireplace and a garage ranging in size from 440 to 694 square feet of building area. The properties sold from April to July 2018 for prices ranging from \$400,000 to \$595,000 or from \$142.86 to \$197.35 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$171,648 which reflects a market value of \$514,995 or \$195.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$191,315. The subject's assessment reflects a market value of \$581,681 or \$220.25 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from 0.15 of a mile to 1.07 miles from the subject property. Board of review comparable #1 is the same property as the appellant's comparable #3. The comparables have sites that range in size from 9,390 to 14,800 square feet of land area and are improved with two-story dwellings of aluminum siding, wood siding or stone and wood siding exterior construction that range in size from 2,657 to 3,403 square feet of living area. The homes were built from 1992 to 2017. Each comparable has a basement with finished area, central air conditioning, one fireplace and a garage ranging in size from 440 to 769 square feet of building area. The properties sold from June 2018 to September 2019 for prices ranging from \$507,500 to \$850,000 or from \$191.00 to \$306.09 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparable sales for the Board's consideration, as one property was common to both parties. The Board gives less weight to the appellant's comparables along with the board of review comparable #3, as these sales differ from the subject in age, site size, dwelling size and/or are located more than two miles from the subject property.

The Board finds the best evidence of market value to be the remaining two comparables which are more similar to the subject in location, age, design and dwelling size, but have finished basements compared to the subject's unfinished basement. These comparables sold in January and September 2019 for prices of \$850,000 and \$507,500 or \$309.09 and \$191.00 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$581,681 or \$220.25 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to

the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
