

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Cafcas
DOCKET NO.: 19-04956.001-R-1
PARCEL NO.: 13-15-402-024

The parties of record before the Property Tax Appeal Board are Thomas Cafcas, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,653
IMPR.: \$139,701
TOTAL: \$177,354

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,433 square feet of living area. The dwelling was constructed in 1987. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 726 square foot garage. The property has a 41,698 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable sales located from 0.19 of a mile to 2.50 miles from the subject property. The comparables have sites that range in size from 39,500 to 106,286 square feet of land area and are improved with two-story dwellings of frame or brick and frame exterior construction that range in size from 3,106 to 3,750 square feet of living area. The dwellings were built from 1976 to 1996. Each comparable has a basement, eight with

finished area, central air conditioning, one to three fireplaces and a garage ranging in size from 462 to 1,555 square feet of building area. Comparable #8 includes an inground swimming pool. The properties sold from February 2018 to July 2019 for prices ranging from \$380,000 to \$630,000 or from \$106.92 to \$173.67 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$157,902 which reflects a market value of \$473,753 or \$138.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$177,354. The subject's assessment reflects a market value of \$539,234 or \$157.07 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 1.67 miles from the subject property. Board of review comparables #2 and #4 are the same properties as the appellant's comparables #6 and #9, respectively. The comparables have sites that range in size from 38,035 to 57,622 square feet of land area and are improved with 1.5-story or two-story dwellings of frame or brick and frame exterior construction that range in size from 3,128 to 3,570 square feet of living area. The homes were built from 1985 to 1990. Each comparable has a basement with finished area, central air conditioning, one or three fireplaces and a garage ranging in size from 627 to 792 square feet of building area. The properties sold from June 2017 to July 2019 for prices ranging from \$499,000 to \$650,000 or from \$155.40 to \$199.81 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eleven comparable sales for the Board's consideration, as two comparables were common to both parties. The Board gives less weight to appellant's comparables #1, #2, #5, #7 and #8 along with board of review comparables #1 and #3 which differ from the subject in age, inground pool amenity, design and/or sold in 2017, less proximate to the January 1, 2019 assessment date than other comparables in the record.

The Board finds the best evidence of market value to be the remaining comparables, including the two common comparables, which are more similar to the subject in age, design, dwelling size and some features. These comparables sold from February 2018 to July 2019 for prices ranging from \$485,000 to \$620,000 or from \$136.00 to \$173.67 per square foot of living area, including land. The subject's assessment reflects a market value of \$539,234 or \$157.07 per square foot of living area, including land, which falls within the range established by the best comparable sales

in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
