

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: S&M Real Estate Holdings (Steve Schweinsberg)
DOCKET NO.: 19-04957.001-I-1
PARCEL NO.: 13-28-201-001

The parties of record before the Property Tax Appeal Board are S&M Real Estate Holdings (Steve Schweinsberg), the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$53,636
IMPR.: \$119,737
TOTAL: \$173,373

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an industrial building, with an office, and a garage that total 8,560 square feet of building area. The buildings were constructed in 1970 or 1974. The subject property is used as a waste disposal and hauling business. The property has a 39,596 square foot site, with a land to building ratio of 4.63, and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located in McHenry County. The comparables have sites ranging in size from 23,086 to 57,064 square feet of land area that are improved with industrial buildings ranging in size from 7,650 to 14,750 square feet of building area. The comparables have land to building ratios ranging from 2.99 to 4.45. The comparables sold from March 2018 to March 2019 for prices ranging from \$435,000 to \$735,000

or from \$40.92 to \$56.86 per square foot of building area, including land. The appellant's submission included a brief claiming there were no comparable industrial building sales located within Lake County. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$173,373. The subject's assessment reflects a market value of \$527,130 or \$61.58 per square foot of building area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located in Lake County. The comparables have sites ranging in size from 27,443 to 87,120 square feet of land area that are improved with industrial buildings ranging in size from 8,843 to 16,500 square feet of building area. The comparables have land to building ratios ranging from 2.43 to 7.53. The comparables sold from June 2017 to July 2019 for prices ranging from \$620,000 to \$1,100,000 or from \$66.67 to \$84.31 per square foot of building area, including land. The board of review submitted a brief arguing the appellant's comparables are not located in Lake County, like the subject. In addition, the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 18-02420.001-I-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$168,320 based on the evidence submitted by the parties. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables due to their locations outside of Lake County. The Board also gives less weight to the board of review's comparables #1 and #4, due to their sale date occurring greater than 18 months prior to the January 1, 2019 assessment date at issue or their significantly larger building size, when compared to the subject. The Board finds the board of review's remaining comparables are similar to the subject in many aspects and also sold proximate in time to the January 1, 2019 assessment date at issue. The best comparables sold in November 2018 and July 2019 for prices of \$767,000 and \$620,000 or \$68.18 and \$70.11 per square foot of building area, including land, respectively. The subject's assessment reflects a market value of \$527,130 or \$61.58 per square foot of building area, including land, which falls below the market values of the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
