

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Shapiro
DOCKET NO.: 19-04964.001-R-1
PARCEL NO.: 12-18-104-006

The parties of record before the Property Tax Appeal Board are Paul Shapiro, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$34,523
IMPR.: \$98,432
TOTAL: \$132,955

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,080 square feet of living area. The dwelling was constructed in 1996. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 400 square foot garage. The property has a 5,660 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on ten comparable properties. Comparable #5 lacks recent sale information and shall not be further analyzed or discussed.¹ The nine remaining comparable sales are located within 0.43 of a mile from the subject property and in the same assessment

¹ Sale details for the appellant's comparables #7 and #10, were reported in the board of review's grid analysis, which also submitted these two properties.

neighborhood code as the subject. The comparables have sites that range in size from 4,900 to 7,100 square feet of land area and are improved with one-story or two-story dwellings of wood siding, brick and wood siding or stone and wood siding exterior construction that range in size from 2,061 to 2,275 square feet of living area. The dwellings were built from 1994 to 1997. Each comparable has a basement, seven with finished area, central air conditioning, one fireplace and a garage ranging in size from 400 to 639 square feet of building area. The properties sold from January 2018 to June 2019 for prices ranging from \$340,000 to \$425,000 or from \$164.97 to \$204.33 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$124,094 which reflects a market value of \$372,319 or \$179.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$132,955. The subject's assessment reflects a market value of \$404,241 or \$194.35 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.43 of a mile from the subject property. Board of review comparables #1 through #4 are the same properties as the appellant's comparables #10, #9, #7 and #8, respectively, which were previously described. The board of review comparable #2/appellant comparable #9 sold twice which is supported by a Multiple Listing Service sheet and property record card. The properties sold from January 2018 to September 2020 for prices ranging from \$387,500 to \$425,000 or from \$184.62 to \$204.33 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine comparables for the Board's consideration, as four comparables were common to both parties, in which one property had two sales. The Board gives less weight to the appellant's comparables #1, #2, #3 and #9 along with board of review comparable #2 which differ from the subject in design, unfinished basement and/or sold in 2020, less proximate to the January 1, 2019 assessment date at issue than other comparable sales in the record.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, design and features. These comparables sold from January 2018 to June 2019 for prices ranging from \$375,000 to \$425,000 or from \$171.59 to \$204.33 per square foot of living area, including land. The subject's assessment reflects a market

value of \$404,241 or \$194.35 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
