

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kymberly Doetsch  
DOCKET NO.: 19-04976.001-R-1  
PARCEL NO.: 12-17-301-010

The parties of record before the Property Tax Appeal Board are Kymberly Doetsch, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$68,397  
**IMPR.:** \$206,049  
**TOTAL:** \$274,446

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 4,460 square feet of living area. The dwelling was constructed in 1986. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a 792 square foot garage. The property has a 56,610 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.66 of a mile from the subject property. The comparables have sites that range in size from 15,690 to 22,220 square feet of land area and are improved with 1.5-story or 2-story dwellings of brick, wood siding or brick and wood siding exterior construction that range in size from 3,284 to 4,318 square feet of living area. The dwellings were built from 1982 to 1987. Each comparable has a finished

basement, central air conditioning, one to three fireplaces and a garage ranging in size from 506 to 704 square feet of building area. Comparable #4 also features a greenhouse with frame and glass walls. The properties sold from September 2017 to August 2019 for prices ranging from \$682,500 to \$847,500 or from \$184.44 to \$258.07 per square foot of living area, land included.<sup>1</sup> Based on this evidence, the appellant requested the subject's assessment be reduced to \$261,627 which reflects a market value of \$784,959 or \$176.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$274,446. The subject's assessment reflects a market value of \$834,436 or \$187.09 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.66 of a mile from the subject property. Board of review comparables #1, #2 and #3 are the same properties as the appellant's comparables #5, #4 and #1, respectively, which were previously described. The properties sold from June 2018 to August 2019 for prices ranging from \$682,500 to \$847,500 or from \$187.86 to \$258.07 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains five comparable sales for the Board's consideration, as three comparables were common to both parties. The Board gives less weight to the appellant's comparables #2 and #3 which sold in 2017, less proximate in time to the January 1, 2019 assessment date than other comparables in the record. The Board finds the remaining comparables present varying degrees of similarity to the subject in design, site size, dwelling size and features. These comparables sold from June 2018 to August 2019 for prices ranging from \$682,500 to \$847,500 or from \$187.86 to \$258.07 per square foot of living area, including land. The subject's assessment reflects a market value of \$834,436 or \$187.09 per square foot of living area, including land, which falls within the range established by the comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

---

<sup>1</sup> Sale details for the appellant's comparable #1 was reported in the board of review grid analysis, as this property was common to both parties.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
