

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Betsie Sassen  
DOCKET NO.: 19-04988.001-R-1  
PARCEL NO.: 12-17-209-011

The parties of record before the Property Tax Appeal Board are Betsie Sassen, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$33,836  
**IMPR.:** \$141,147  
**TOTAL:** \$174,983

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,519 square feet of living area. The dwelling was constructed in 1989. Features of the home include a basement with finished area, finished attic area, central air conditioning, two fireplaces and a 528 square foot garage. The property has a 10,890 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located from 0.51 of a mile to 1.31 miles from the subject property. The comparables have sites that range in size from 6,230 to 18,630 square feet of land area and are improved with one-story or two-story dwellings of wood siding exterior construction that range in size from 2,458 to 3,056 square feet of living area. The dwellings were built in 1982 or 1986. Each comparable has a basement, one with finished area,

central air conditioning, one or two fireplaces and a garage ranging in size from 440 to 646 square feet of building area. The properties sold from September 2018 to June 2019 for prices ranging from \$465,000 to \$810,000 or from \$152.16 to \$274.39 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$131,814 which reflects a market value of \$395,482 or \$157.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$174,983. The subject's assessment reflects a market value of \$532,025 or \$211.20 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from 0.51 of a mile to 1.34 miles from the subject property. Board of review comparable #1 is the same property as the appellant's comparable #3. The comparables have sites that range in size from 7,750 to 18,630 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,458 to 2,886 square feet of living area. The homes were built from 1970 to 1986. Each comparable has a basement, two with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 462 to 496 square feet of building area. The properties sold from April 2018 to December 2019 for prices ranging from \$504,000 to \$1,065,000 or from \$205.04 to \$369.02 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparable sales for the Board's consideration, as one comparable was common to both parties. The Board gives less weight to the appellant's comparables #1, #2 and #3 along with board of review comparables #1 and #2 which differ from the subject in design, age and/or lack a finished basement when compared to the subject.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in age, design, dwelling size and most features. These comparables sold from August 2018 to December 2019 for prices ranging from \$810,000 to \$1,065,000 or from \$274.39 to \$369.02 per square foot of living area, including land. The subject's assessment reflects a market value of \$532,025 or \$211.20 per square foot of living area, including land, which falls below the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
