

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donald Hamil  
DOCKET NO.: 19-04997.001-R-1  
PARCEL NO.: 11-21-211-005

The parties of record before the Property Tax Appeal Board are Donald Hamil, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$52,271  
**IMPR.:** \$36,611  
**TOTAL:** \$88,882

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame exterior construction with 1,120 square feet of living area. The dwelling was constructed in 1961. Features of the home include an unfinished basement and a 264 square foot garage. The property has a 5,463 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.49 of a mile from the subject property. The comparables have sites that range in size from 7,495 to 13,539 square feet of land area and are improved with one-story or two-story dwellings of frame or brick exterior construction that range in size from 1,008 to 1,218 square feet of living area. The dwellings were built from 1950 to 1955 with one comparable having an effective age of 1983. Each comparable has an unfinished basement. Four comparables have central air conditioning, one

comparable has a fireplace and four comparables have a garage ranging in size from 260 to 576 square feet of building area. The properties sold from March to December 2018 for prices ranging from \$197,000 to \$260,000 or from \$179.91 to \$252.98 per square foot of living area, land included.

The appellant's attorney included comments regarding its comparable #1, stating the property had been sold in "as is" condition and given no consideration in the appellant's request. Based on this evidence, the appellant requested the subject's assessment be reduced to \$73,539 which reflects a market value of \$220,639 or \$197.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$88,882. The subject's assessment reflects a market value of \$270,240 or \$241.29 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.76 of a mile from the subject property. Board of review comparable #4 is the same property as the appellant's comparable #4. The comparables have sites that range in size from 7,229 to 8,667 square feet of land area and are improved with one-story dwellings of frame and brick exterior construction that range in size from 1,084 to 1,176 square feet of living area. The homes were built from 1950 to 1957. Each comparable has an unfinished basement and a garage ranging in size from 260 to 528 square feet of building area. Three comparables have central air conditioning and one comparable has two fireplaces. The properties sold from April to August 2018 for prices ranging from \$260,000 to \$335,000 or from \$239.85 to \$284.86 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparable sales for the Board's consideration, as one comparable was common to both parties. The Board gives less weight to the appellant's comparables #1, #3, #4 and #5 along with board of review comparables #3 and #4 which differ from the subject in design and/or age/effective age.

The Board finds the best evidence of market value to be the remaining three comparables which are more similar to the subject in location, age, design, dwelling size and some features. These comparables sold from March to August 2018 for prices ranging from \$252,500 to \$335,000 or from \$207.31 to \$284.86 per square foot of living area, including land. The subject's assessment

reflects a market value of \$270,240 or \$241.29 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
