

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott Falbe
DOCKET NO.: 19-05005.001-R-1
PARCEL NO.: 12-21-203-003

The parties of record before the Property Tax Appeal Board are Scott Falbe, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$157,350
IMPR.: \$257,050
TOTAL: \$414,400

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 4,582 square feet of living area. The dwelling was constructed in 1966 and has an effective age of 1980. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a 910 square foot garage. The property has an 18,873 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.69 of a mile from the subject property. The comparables have sites that range in size from 12,630 to 24,090 square feet of land area and are improved with 2-story dwellings of stucco, wood siding or brick and wood siding exterior construction that range in size from 3,653 to 4,146 square feet of living area. The dwellings were built from 1965 to 2005 with the oldest property having an effective

age of 1979. Each comparable has a basement with finished area, central air conditioning, two or three fireplaces and one or two garages ranging in size from 300 to 836 square feet of combined building area. The properties sold from May 2018 to April 2019 for prices of \$980,000 or \$1,125,000 or from \$239.14 to \$307.97 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$391,721 which reflects a market value of \$1,175,281 or \$256.50 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$414,400. The subject's assessment reflects a market value of \$1,295,957 or \$274.98 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.40 of a mile from the subject property. Board of review comparable #3 is the same property as the appellant's comparable #2. The comparables have sites that range in size from 9,800 to 24,090 square feet of land area and are improved with 1.75-story or 2-story dwellings of stucco or wood siding exterior construction that range in size from 3,745 to 4,850 square feet of living area. The homes were built from 1955 to 1977 with effective ages ranging from 1977 to 1989. Each comparable has a basement, two with finished area, central air conditioning, two fireplaces and a garage ranging in size from 525 to 836 square feet of building area. The properties sold from August 2018 to August 2019 for prices ranging from \$862,500 to \$1,737,500 or from \$230.31 to \$358.25 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains five comparable sales for the Board's consideration, as one comparable was common to both parties. The Board gives less weight to the appellant's comparables #1 and #3 along with board of review comparable #1 which differ from the subject in age/effective age or dwelling size when compared to the subject.

The Board finds the best evidence of market value to be the remaining two comparables which are more similar to the subject in location, age/effective age, dwelling size and many features. These comparables sold in August 2018 and February 2019 for prices of \$1,737,500 and \$1,125,000 or \$358.25 and \$271.35 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$1,259,957 or \$274.98 per square foot of living area, including land, which is bracketed by the two best comparable sales in this record.

After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
