

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Frank Honold  
DOCKET NO.: 19-05007.001-R-1  
PARCEL NO.: 11-17-406-003

The parties of record before the Property Tax Appeal Board are Frank Honold, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$71,034  
**IMPR.:** \$130,876  
**TOTAL:** \$201,910

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and brick exterior construction with 3,442 square feet of living area. The dwelling was constructed in 1974 and has an effective age of 1983. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 506 square foot garage. The property has an 18,044 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on ten comparable sales located within 0.77 of a mile from the subject property. The comparables have sites that range in size from 9,854 to 17,062 square feet of land area and are improved with two-story dwellings of brick, frame or brick and frame exterior construction that range in size from 2,713 to 3,756 square feet of living area. The dwellings were built from 1984 to 1997. Each comparable has a basement, central air

conditioning, one or two fireplaces and a garage ranging in size from 451 to 846 square feet of building area. The properties sold from July 2017 to July 2019 for prices ranging from \$405,000 to \$665,000 or from \$149.28 to \$197.51 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$201,910 which reflects a market value of \$605,791 or \$176.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$231,738. The subject's assessment reflects a market value of \$704,585 or \$204.70 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from 0.82 of a mile to 1.20 miles from the subject property. The comparables have sites that range in size from 11,190 to 19,270 square feet of land area and are improved with two-story dwellings of brick, wood siding or brick and wood siding exterior construction that range in size from 2,888 to 3,160 square feet of living area. The homes were built in 1986 or 1987 and have effective ages ranging from 1987 to 1996. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from 400 to 484 square feet of building area. The properties sold from June 2018 to May 2019 for prices ranging from \$572,000 to \$653,500 or from \$193.67 to \$210.87 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted 14 comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #4, #5, #8 and #10 along with board of review comparables #2 and #3 which differ from the subject in age/effective age, dwelling size and/or sold in 2017, less proximate to the January 1, 2019 assessment date than other comparables in the record.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, effective age, design, dwelling size and other features. These comparables sold from January 2018 to June 2019 for prices ranging from \$540,000 to \$653,500 or from \$160.03 to \$210.87 per square foot of living area, including land. The subject's assessment reflects a market value of \$704,585 or \$204.70 per square foot of living area, including land, which falls above the range established by the best comparable sales in this

record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment, commensurate with the request, is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
